Due to the Alert Level 2 guidelines we are not able to pass around the collection plate, You can contribute to the parish by dropping your envelope in the basket provided at the back of the church or by mailing your envelopes to the address at the right, you can drop your envelopes in the mailbox outside the office door, or you can use Direct Giving through automatic debit from your bank account. You can call the office to get more information on Direct Giving. If you drop your envelopes at the office door, please ring the doorbell to notify the office that there is a drop off and it can be picked up immediately. **Please refrain from depositing at the door outside of office hours.**

Recycling Fund Raiser

Please consider donating your beverage containers that have piled up over the holiday. If you wish to donate your beverage containers, you can do so by dropping your bags into the green bin next to the parish centre door. We ask that you drop off your recycling in this bin on Mondays if possible. This will give time to bring the bags to the depot and get a report for the bulletin. Please remember this is for beverage containers only (pop cans, juices boxes, liquor bottles, beer bottles) not milk cartons, soup cans or plastic containers. Please be careful as to what you put in the recycling bags. The containers must be cleaned and caps removed. Thank you to all who are contributing. **To date we have \$880.05 in our recycling account.**

Update of meeting with Archbishop Hundt regarding Mount Cashel Court Case

If you have questions or need more clarity on the note below then please contact a member of your Parish Council, Finance Committee or the Parish general office. It is important for all parishioners to understand that our parish and all parishes in the Archdiocese are affected.

On Tuesday, June 29th, Archbishop Hundt met with the Pastoral Councils and Finance Committees for our parish, St. Thomas of Villanova and Holy Family to discuss the current status and potential impacts of the Mount Cashel Liability Decision and Archdiocesan reorganization. Archbishop Hundt walked the group through this process and fielded questions for approximately two hours.

The freeze on all non-essential spending is still in effect. The Archdiocese is assessing all its assets including accounts, real estate and infrastructure. In parallel to this exercise, the viability of all parishes and the cost of ownership of core assets (churches) is being determined. The next major step in this process is for the Archdiocese to issue a call for any outstanding claims from victims that have yet to identify themselves. This will possibly occur within several months. Then the process of determining and disbursing compensation will occur, starting with liquidation of cash holdings, followed by non-core properties and followed by core properties. Based on the information provided and the scope of liability, it is unlikely that any of our three parishes will retain cash or real estate associated with Octagon Pond. We will not know the status of our churches and parishes until we are further along in this process.

Notice to Families Re: 2021 Annual Cemetery Liturgy Services

Due to the public health restrictions in place to control the spread of the Covid 19 Virus, families are advised that the annual liturgy services in all Roman Catholic cemeteries in the Archdiocese of St. John's will not be held this year. We apologize for any inconvenience or disappointment this may cause. As individual cemetery services cannot take place this summer,
