

## OUR FAITH

*Our Saviour's Parish is a parish of the Polish National Catholic Church. We are a Catholic and Apostolic Church, preserving the faith, worship, structure and practice of the undivided Church. We are also a Democratic Church where clergy and church members meet together at local, diocesan and national synods to elect candidates for bishop and make decisions for the Church. All our parishioners elect annually a parish committee that together with the pastor, oversees the management of the parish. Our Saviour's Parish has been serving the greater Woonsocket community since 1924.*

## Our History

More than 90 years ago our parish was organized by a group of people dedicated to the Catholic faith but with democratic form of church governance. Through the years, the principles that caused our Church to come into being have been followed and strengthened. Today Our Saviour's Parish and the PNCC meet the spiritual needs of a diverse ethnic population. The Mass, homily and services are celebrated in English.
