

Hi Families,

TrachCare is very happy to be sending this email to confirm your attendance at our Family Event at the Boston Museum of Science, to be held on Sunday, May 18th, 2014. We are thrilled to announce that once again, the Museum will be providing our families with complimentary admission to the Museum. Following are the details confirming our event.

EVENT DETAILS

Families will meet in the Food Court to receive their admission packets.

The admission packet will include:

~ Museum admission Tickets.

~ \$10 to be used toward the parking garage fee (provided by TrachCare)

~ \$10 per person to be used toward lunch (provided by TrachCare)

Each family will receive an email from TrachCare, prior to the event, confirming the number of adults and children attending.

THINGS TO KNOW

Your entry ticket provides admission to the general exhibit halls. It does not provide admission to the Omni Theatre, Planetarium, or Butterfly Garden. You can purchase additional entry to these events, separately, at the Museum.

The Museum opens at 9:00 am. Members of TrachCare will be in the Food Court by 9:15 to mingle and distribute admission packets. Please arrive no later than 10 am to pick-up your tickets. We should be easy to spot Just listen for the suction machines J

Families usually explore on their own, or in small groups. In the past we have returned to the Food Court around lunchtime to share lunch together.

If you have any questions, please feel free to reply via email, or call Sue Wachta at 774-254-0356 (8:30 am – 7 pm). You can also call this number the day of the event with any questions.

Also, we do have some additional tickets. If you know any other families of children with trachs, and they would like to attend, please have them contact us at this email address as soon as possible. The Museum's website is: www.mos.org.

Looking forward to seeing you there!

Sue ~ on behalf of Erin, Josephine, Julie, and Leslie
