

PENTECOST PATTERN OF MT. SINAI

The key factor of the Pentecost Pattern is that from the crossing point at Nuweiba to where the LORD came down to fellowship and meet with the 70 plus Elders of Israel is exactly 50 miles. The very number is reflective of the 50 days from when the 1st Passover was celebrated back in

Moreover the 7 days to get from Egypt to the crossing point of the Red Sea plus the 3 more days it took to get from the Crossing of the Red Sea to the foot of Mt. Sinai would be a total of 10 days.

This foreshadows the giving of the 10 Commandments on the 50th day at Pentecost.
