“ Meet the Author ”

The Barns of Greece, NY is a recently published book now available at the Greece Historical Society museum. Local Author Jane Grant began photographing existing barns and interviewing their owners about six years ago. A large display of her photos and stories about the barns was featured at the museum a few years ago. The best part of the project, says Jane, “was meeting delightful people who graciously shared their stories. Many of them were from farming families who built our town’s reputation for quality garden produce and fruit, and who also contributed to community life in varied ways.”

This wonderful 64 page full-color book, signed by Jane, will be available for purchase at our meeting.

A light luncheon is planned featuring
Sandwiches, Cookies, Hot Coffee, Hot Tea, or Water
for only \$5.00 per person.
