

# UTM MASTER INSTRUCTOR COURSE

SEPTEMBER 28-30, 2017 | \$750 PER PERSON

This 3 day certification course will prepare students to design, implement, and teach reality based training programs using UTM Non-Lethal Training Ammunition (NLTA). Students will participate in skill builders, drills, and force on force mini-scenarios, which will serve as a template or foundation for future applications with his/her individual agency.

*Students who successfully complete this course will receive a UTM Instructor Certification, which entitles them to train and certify training for others in this course.*

**This course is restricted to military and law enforcement instructors.**

## COURSE TOPICS

UTM Reality Based Training model for development of training with any type of NLTA | Technologies for force on force training models | Safety guidelines for NLTA training | Use of force and application in case law | Role player development | Testing protocols | Utilization of limited resources including budget/facilities and scenario development

## EQUIPMENT REQUIREMENTS

Duty/ tactical gear (with ability to carry at least 3 spare rifle mags and 2 spare pistol mags) | Long pants and long sleeve shirts, plus a t-shirt worn underneath- BDUs are ideal | Notepad and pen

\*\*UTM ammunition and use of UTM conversion kits are included in the course fee.

## INSTRUCTORS

This course is being presented by Tony Lambraia, Vice President at UTM. Tony has over 30 years of experience in local, state and federal law enforcement. He has trained military and law enforcement personnel worldwide for over two decades. He has been featured on many law enforcement networks and publications from Police One to the Law Enforcement Television Network (LETN). He served as a U.S. Marine, corrections officer, patrol officer, detective, SWAT and SRT Commander, Chief of Counter Terrorism (OTP) and Tactics branches, Federal Deputy Director, and more. He has taught MMA and holds several black belts in various martial arts. He has also testified as a SME in UOF and has defended Police Officers across the U.S.

**COURSE LOCATION: Kane County Forest Preserve District - Geneva, Illinois**

**Only 20 seats available. One seat per Agency**
