"PEOPLE HELPING PEOPLE"

WORTHY SECRETARY

Hello Members, So far so good on staying open. I understand there are some Eagles that are still not able to be open. Why I don't know. But we must still continue to be cautious on our social distancing and standing at the bar or we

might be closed ourselves.

We do need to come up with more entertaining events for our members. Tuesdays are extremely slow, although we do have the Auxiliary meetings twice a month but we have the game room wide open for a place to have fun. Maybe we could have an evening of the games we play on Thursday and Friday afternoons. That would not interfere with the pool league or the Auxiliary meetings. Or if anybody has any suggestions, which is what the suggestion box is for. Let's come up with something, okay?

The trustees are doing a very good job this year so far, working very well together. There are a few who disagree but they are doing what they feel is best for the Club. We have a few that sit at the bar and ridicule trustees and bartenders but that only shows their character. I received an email from the Grand Aerie stating that there will be no reenrollment fees for the rest of the year and any member who did not get their dues paid this year due to the Corona will not lose any years accumulated to date. That is good news, but the members who did not pay their dues no longer receive a newsletter, so how will they know that!!! Guess word of mouth will take care of that, so spread it around. Enough said! Until next month, stay safe and healthy.

Your Secretary Pat

BINGO

Every Tuesday and Saturday at Noon

WORTHY CHAPLAIN

My Brother and Sister Eagles, I hope and pray all of you are doing well. Nearly everyone has troubles this year because of the pandemic. Most of us are accustomed to having troubles occasionally. Some have more than others. All people on some level have troubles. An

old preacher friend of mine used to say "Jim, on every level there is a new devil." This is true. The poor have troubles, the rich have troubles, the famous have troubles, we have nearly universal troubles. What can we do about it?

A portion of Psalm 23 states "He makes me lie down in green pastures. He leads me beside still waters." This Psalm is about a shepherd, and to understand the peace a shepherd brings, you have to first understand sheep. It is almost impossible for sheep to relax and lie down unless four basic requirements are met. It is significant that, to be at rest, there must be a definite sense of freedom from fear, tension, aggravations and hunger. A flock that is restless, discontented, always agitated and disturbed never does well. The same is true of people. We live in a most uncertain life. Any hour can bring disaster, danger and distress from unknown quarters. Life is full of hazards. No one can tell what new trouble a day will produce. We can live either in a sense of anxiety, fear and forboding or in a sense of quiet rest. Which is it? It is in the grip of fear that most of us are unable to cope with the cruel circumstances and harsh complexities of life. As I have grown older my faith makes all the difference in the world as to whether I flee and remain fearful or stay and weather the storm, I choose the latter and I am sure many of my brother veterans understand this very well. You too have something you can fall back on, attitude, faith, or maybe your military training filled a void in your life by listening to the sermons of the chaplain in the field tell about courage. In the midst of misfortunes, the shepherd is there. There is no substitute for the keen awareness that our shepherd is nearby. He gives us assurances that we can rest and relax in spite of what this crazy old world dishes out to us. In HIS service to you.

Jim Armitage- Worthy Chaplain

MADAM SECRETARY

Happy September to Everyone!

Hope all is well with everyone. The Chaplains Board is empty so that is a good thing for all our members. Please stay safe and well out there.

I would like to thank everyone that is still sending in your renewal memberships. The Grand has waived renewal fees till end of the year so the \$10.00 fee is gone and all you pay is pro-ration dues which bartenders have behind bar. The dues are \$17.34 for the month of September. The pro-ration table can be found on the Auxiliary bulletin board. If you have any questions, please give a call 352-628-0914 the Club phone or you can call me at 727-492-9031.

If you change your name, address, phone number or email address, please let me know. There is a black box (drop box) by the ladies auxiliary door, or you may give it to the bartender. If you are not getting your newsletter it may be that Pat does not know you changed your address.

Watch for functions going on at the Club as the fliers go up announcing them and if you would like to help please see any of the Ladies or ask one of them in the Club.

We will be welcoming back our northern Brothers and Sisters hopefully if they are able to travel. Please be safe in your travels.

Until next month God Bless and remember "We Are People Helping People".

Fraternally,

Betty Clark, Secretary

EAGLE RIDERS PRESIDENT

SAMI'S RUN OCTOBER 3, 2020.
Registration will be from 9:45 pm to 10:45 pm. Please support this function. Monies raised is used to hold our annual Christmas party for the kids in Lecanto Elementary

and their families. We have scheduled the Christmas party for December 14. The Trustee's tell me their will be know problem holding it that day, but with this COVID stuff it may have to look a bit different. We are working diligently on it. If you have a business or know a business owner please pick up a flyer and introduction letter to see if they will donate either dollars or an item for the raffle. I am thinking more families than ever before will be needing help this year.

Next meeting is September 8, 2020 at 7:00 pm. Would sure like to see more members attend.

Don't forget to participate in our 2nd and 4th Sundays, September 13 & 27 Show me the Money. Play starts at 1:00 pm so come early to get the good cards. We also hold "Horse Bingo" on the 3rd Saturday, September 19 at 6:00 pm. It is great fun!!!
