19-We will use a template of 22 or 24 teams plus position rounds depending on confirmation of all teams including new team from Cue n Brew.

20. "We need to address the new Captains and the "Basic" rules this League has established over the years in the Meetings and Voting.

There should be an understanding that these Rules are how we all play equally. If a Captain is in violation, that shouldn't be a excuse for them to use "I didn't know".

Diablo Valley Pool League

That's not fair to the other Teams, especially in a Position Round situation.

All Captains need access to these Rules, need to know these Rules, and to be held accountable for following these Rules for themselves and their Teammates. Maybe a Website, where all the By-Laws are listed for new and existing Captains to access for review. Make it their responsibility to be familiar with DVPL's way of playing.”

Captains to be responsible for knowing the rules provided in their folder. Rules are also posted on website.

21. DVPL Master Rules were just cleaned up, updated and posted on website dated 07/01/17. We appreciate the help, Lynn Westhoven.

DVPL HAS ESTABLISHED RULES. REFER TO MASTER RULES AS NEEDED.
