Dear Exhibitor:

The Wichita Toy Train Club and Museum is pleased to announce the hosting of our 26th Annual Wichita Model Train Show in Wichita, KS. We cordially invite you to display your model railroad exhibit at our 2020 Show. The Wichita market has a proven track record of interest in the model railroading hobby and support of local hobby shows. Our show follow-up questionnaires indicate that our show visitors enjoy model railroad exhibits just as much as good vendor participation. There is no charge to exhibit in our event. We will provide you with tables and chairs as needed and provide exhibitor passes to those who are needed to setup, operate and take down your exhibit. We request that you list individual names of your members assisting with your display. Please use the registration form enclosed to apply for exhibit space.
