

# BLS CPR Instructor Course

The Oakes Ambulance will be conducting a BLS Instructor course this fall for those interested in becoming a BLS CPR Instructor.

*Here are the steps to becoming a BLS Instructor:*

1. Fully complete a BLS Instructor Course Application form.
2. Be accepted by the Oakes Ambulance Community Training Center (CTC) before enrolling in the course.
3. Must have a current BLS Provider CPR card and be proficient in the skills of CPR and AED.
4. Successfully complete the online BLS Instructor Essentials Course (before completing in-person course).
5. Attend an online Zoom session that will review the expectations of the BLS Instructor and the in-person course.
6. Successfully complete the in-person training session that will be held in October 2024 (date TBD among students).
7. Be monitored by CTC Faculty teaching first course within 6 months.
8. Complete registration on the AHA Instructor Network (Atlas).

The course fee is \$300.00 and includes the necessary BLS instructor manual, instructional time, course monitoring, and completion card. The course fee does not include the BLS Instructor Essentials Course (\$41.20).

You must pre-register for this course by contacting the Oakes Ambulance at (701) 742-3244.
