

Dear Community Service Provider:

Each March, National Professional Social Work Month celebrates and highlights the profession. We reflect on our profession's history, celebrate the important work we do, and look toward a future of promise for the individuals, families, and communities we serve. **We would like you to be a part of NASW-FL's Northwest Unit Pensacola area's Annual Social Work Luncheon, March 6, at Sanders Beach-Corinne Jones Community Center, 913 South I St., Pensacola, FL, 32502.**
