SARA

Ham Radio Friends & Fun !

Sussex Amateur Radio Association, also known as the SARA Club, is a friendly group of Ham Radio enthusiasts consisting of FCC licensed radio operators (known as "Hams") and anyone interested in learning more about this hobby or acquiring a license.

SARA, a 501(c)(3) non-profit organization, is active with monthly meetings, special events, learning and testing opportunities, and communications community service projects, while always striving to have fun! Yet, the best part of the SARA Club is the friendships that you make!

Interesting Place for a Winter Field Day!

Did You KNOW?

Amateur Radio...

- ◆ Has been around for over 100 years?
- ◆ Is a local & global form of communication?
- ◆ Doesn't depend on phone or internet capability?
- ◆ Can operate wirelessly?
- ◆ Can be used anywhere on earth and in space?
- ◆ Integrates today's technologies in various ways?
- ◆ Provides a public service in a variety of settings?
- ◆ When other communication systems fail, ham radio continues to operate?
- ◆ Aids in disaster relief by facilitating communications with public service agencies?
- ◆ Without phone numbers, you can talk to people around the world?
- ◆ Is enjoyed by youth to the later ages of the young at heart?
