## ROYAL RIDGE NEIGHBORHOOD ASSOCIATION

*Dan Calderon, President, 210-693-2744*

*Email: [rrna@royalridgesa.org](mailto:rrna@royalridgesa.org)*

*Website: [www.royalridgesa.org](http://www.royalridgesa.org)*

Happy September. We are less than a month away from the big National Night Out gathering at the Royal Ridge Clubhouse on Tuesday, Oct. 1. I hope to see many of you there as this also is the time we hold our annual meeting for the Royal Ridge Neighborhood Association. We usually start gathering around 6 pm for a formal 6:30 pm start, and will give away a few raffle ticket items throughout the night.

The RRNA will be holding elections for president and treasurer. If anyone is interested in serving, please come and throw your name in the hat. I know our treasurer Cathy Steinman has served for many years and is looking for someone to fill her shoes. In addition, former RRNA president Lee Mays has served as de facto vice president but technically the post is open and needs to be filled.

One item I want to discuss at the annual meeting is the future of this publication, the Royal Ridge Recorder. Some leaders in our neighborhood believe it's time for the Recorder to be retired, in no small part because we have been late a few times with the publication this year, the last issue being the most egregiously late. As mentioned in the last issue, I take responsibility for the tardiness.

I believe the Recorder still has a place in our community, but we can revamp the publication so it remains part of what links our community together. Here are the options I will ask you to vote on at our annual meeting:

1. Produce the Recorder as a bi-monthly (6x a year), online only publication (discontinue hard-copy print distribution)
2. Produce the Recorder as a quarterly (4x a year), online only publication
3. Discontinue the Recorder entirely
4. Keep the Recorder as is (print and online distribution)

If we produce an online only publication, then the few advertising dollars that come in can all go into the association's coffers for community improvement projects, as there will be no print costs.

If you have thoughts to share before the Oct. 1 meeting, please email me at [dancalderon1967@gmail.com](mailto:dancalderon1967@gmail.com).

Another issue we need to address is weeding of the areas at the Randolph Boulevard and O'Connor Road entrances. I have started weeding the Randolph side and will tackle what I can between now and the annual meeting at least at the Randolph side. We plan to get a team of high school students to spend a half morning on a Saturday to tackle the O'Connor side, but that will have to wait until after the temperature falls a bit, so it may not be until after Oct. 1.

Once that is done, the entrances will need regular maintenance, at least once a month. I'd like to identify volunteers to get together and agree on a monthly maintenance schedule. The more the merrier, but a team of 3-4 people to "own" each of the entrances could easily keep the weeds in check (once the current overgrowth is addressed) if they dedicate an hour a month to this important beautification effort. Please consider stepping up to help.

Finally, the Girl Scouts troop supported by the Royal Ridge Clubhouse is holding a pet food drive to benefit Meals on Wheels. Meals on Wheels provides this invaluable service to help older adults who sometimes must ration their own meals to help feed their pets. They will be accepting donations at National Night Out, so bring a can of dog food, cat food or even bird seed if you want to lend a hand to this great cause.

That's all for now. We'll see you on Tuesday, Oct. 1.

***The following information provided by Lee Mays, former president, Royal Ridge Neighborhood Association.***

In the Spring of 2021 construction will begin on Interstate 35. The work begins a five-year project to double-deck Interstate 35 from AT&T Parkway to past FM 3009 in Schertz.

Additional lanes will extend to FM 1103. The new three elevated lanes will be non-toll, limited access with one lane being a HOV lane.

Including the elevated lanes, there will be 10 lanes northbound and southbound, four on Interstate 35 at ground level, and the access roads of three lanes.

Motorists may access the elevated roadway at the Bexar County line, Loop 1604, Pat Booker Road, Loop 410 North and Loop 410 South.

By 2044, the daily traffic is projected to increase from 169,000 vehicles to 393,000 vehicles. (Summary from *San Antonio Express-News* 8/23/2019).

## ROYAL RIDGE CITIZENS ON PATROL

Bob Robbins, Coordinator, 210-655-4226 Email: [rrcop@att.net](mailto:rrcop@att.net)

Congratulations to now Detective Jason Reno, our former SAPD SAFFE officer, on your promotion. We are truly proud of you and want to say thanks for your past service to the Royal Ridge community and wish you great success in your new assignment.

**We welcome our new SAFFE officer, Officer Dennis Quinn.** Officer Quinn has been a SAPD police officer for more than 10 years and has been a community-policing officer for several years. He is not new to community policing and is looking forward to working with us to keep Royal Ridge as safe and secure as possible. Welcome aboard Officer Quinn.

Officer Quinn says the best way to get in contact with him is via email, i.e. [dennis.quinn@sanantonio.gov](mailto:dennis.quinn@sanantonio.gov). You can also reach him using his desk phone, **210-207-5190**, where you'll probably have to leave a message as he is, of course, mainly out of the office. He can also be reached on his cell phone, **210-219-0256**, but he won't be able to answer it at all times and you may have to leave a message. Again, the best bet is his email.

Reminder: For emergencies all crimes in progress, call 911. For most other police business, e.g., **suspicious persons, vehicles and activities, thefts, burglaries, vandalism, abandoned vehicles, curfew violations, etc.**, call the same dispatchers on the SAPD non-emergency number, **210-207-7273**, and a patrol officer will be dispatched consistent with the calls' priority and other things going on at the time. Contact our SAFFE Officer for other neighborhood matters, e.g. longer-term unusual activity, neighborhood disputes and concerns, etc. Officer Quinn can then intervene as appropriate or refer the matter to other agencies.

Here's a new slogan in addition to the self-explanatory **"See something, Say something."** The Texas Motor Vehicle Crime Prevention Authority's **"If you like it, lock it"** slogan focuses on the increasing vehicle burglary and theft trend.

Here are the National Insurance Crime Bureau's 2017 top 10 targets: Ford Pick-Up (Full Size), Chevrolet Pick-Up (Full Size), Dodge Pick-Up (Full Size), GMC Pickup (Full Size), Honda Accord, Honda Civic, Chevrolet Tahoe, Toyota Camry, Nissan Altima, and Toyota Corolla.

TX MVCPA's recommendations to avoid becoming a victim:

- Always lock your vehicle and take your keys.
- Never leave your car running and unattended.
- Park in a well-lit area.
- Take valuables with you when you are not in your vehicle.
- Keep valuables out of sight.
- Give parking attendants the ignition key only.
- Keep your trunk and glove box locked at all times. If

possible, get separate keys for the ignition and the trunk and glove box.  
- Install an anti-theft device.

**Mark your calendar now for the next SAPD COP training class, 6 to 10 p.m., Monday, September 9. RR COP needs you. Take the training and join us in helping protect our neighborhoods.**

**Stay safe.**

## HOW TO JOIN COP

Determine which SAPD Substation serves the area where you live. Then, follow these steps:

Review the Schedule of COP Classes below and select a class date at your substation that fits your schedule. You may attend COP classes only at the substation that serves your neighborhood.

Obtain an application in one of the following three ways:

Contact the COP Coordinator at your substation to check on class availability and obtain a COP Class Application.

Go to your substation and pick up a COP Application.

[Click here to go the SAPD Forms Download Page to download a COP Application in PDF format.](#)

Fill out and bring or mail the COP Application to your substation.

Attend a 4-hour COP class on selected dates.

After graduation, join with other COP grads in your neighborhood to set up your COP Patrols.

One year after graduation you may attend a Refresher Class, if you wish. COP graduates may also volunteer to participate in "Map Patrols" in their substation area.

**ROYAL RIDGE ELEMENTARY SCHOOL**  
Counselor Stephanie Shortridge, 210-407-7024  
Email: [Sshort1@neisd.net](mailto:Sshort1@neisd.net)

Royal Ridge Elementary is very excited to have the halls filled with laughter and smiling faces again. School hours are 7:40 a.m. – 2:55 p.m. Please be mindful of the school zones as we are all getting back into the swing of things.

Calling all Dads, granddads, uncles, step-dads and adult brothers: This is your chance to be with your student in a fun atmosphere at school. Royal Ridge is looking for volunteers to join the Watch D.O.G.S (Dads Of Great Students) program.

Royal Ridge is also looking for volunteers to mentor students. We are asking that each mentor dedicate at least 30 minutes a week to work with his or her mentee. During this time the teacher may ask that you work with your mentee on academic areas that they are having difficulty with, preview information before it is presented in class, work on social skills, practice word wall words, listen to them read, etc.

Please contact Mrs. Shortridge in the counseling office, 210-407-7024, if you are interested in being a part of our Watch D.O.G.S. or mentoring some of our students."

#### **MONTHLY SOCIALS AND TRIPOLEY**

Bonnie Hopkins, 210-650-0852  
Email: [bhopkins9@satx.rr.com](mailto:bhopkins9@satx.rr.com)

The next **MONTHLY SOCIALS** will be **Friday September 27 and October 25 at 5:30 p.m.**, at the RRRC Clubhouse. All adult members of the Royal Ridge Recreational Club (RRRC) Clubhouse are welcome. Visitors are welcome to come and see if they are interested in joining the RRRC. Drinks are provided for a small donation and people are asked to bring finger foods to share. Hope to see you there!

The next **TRIPOLEYS** will be **Friday September 13 and October 11 at 7 p.m.**, at the RRRC Clubhouse.

#### **EDITOR'S COMMENTS**

Gary H. Harmon Jr., Editor, 210-884-6926 Email: [gharmon@idworld.net](mailto:gharmon@idworld.net)

I wonder if it is time for us to hire someone or a company to maintain the two entrances to Royal Ridge on Royal Ridge Drive? I believe residents of Royal Ridge have done the work in the past and I suspect it is a lot of work, especially in this hot weather, certainly more than I could handle. Something to think about and discuss in your individual HOAs.

It goes without saying I appreciate all of you who provide input for the Recorder and thanks to you that are happy to receive the Recorder. It's only as good and informative as the information received.

There are eight HOAs listed in the Directory but not all provide input to the Recorder. We would welcome adding them to the Directory and hearing from them on a regular basis. Someone needs to take the lead and bring the missing HOAs into the herd.

If you have input for the Recorder, let your POC or me know so it can be included, if appropriate.

Several Royal Ridge organizations need your help badly, even to the point of continuing their efforts within our community. Please help if you can.

We also need to maximize email delivery of the Recorder to minimize the time-consuming hand delivery of the paper document.

**NEXT DOOR** is a great application to receive community information, as well as to BUY, SELL, GIVE AWAY, and WANTED. There are also many references for folks and businesses that provide help we sometimes need. Checkout **NEXT DOOR**, it's FREE, and I think you will like it. Personally speaking, I have sold, bought, and given away numerous items.

And in a blink of an eye, pool season comes to an end. Low attendance in August always marks the beginning of back-to-school and the end of family vacations.

Our pool season ended a week earlier than normal due to school starting on Aug. 19 and not Aug. 26. Our 5th Annual Aloha To Summer Luau was extremely low-key because we were caught a bit off guard by the school start date and did not expect a large turnout.

Our predictions were correct. We had our last movie night with the showing of "Captain Marvel." Our bi-weekly dive-in movie nights were extremely well attended this season. We offered extra goodies such as hamburgers \$2 root beer and Big Red Floats, \$1 popcorn \$1 at the concession stand for each movie. Movie-themed door prizes/party favors/glow sticks were also part of the fun. We are already working on next summer's line-up.

We truly had Christmas In July when we featured "The Grinch" and the entire Clubhouse/patio area was decorated in Christmas lights and décor. We even had a visit from Santa. It was indeed a good time had by all.

Our Adult Night series continued with Party on the Patio on July 19 and August 16. Participants again enjoyed finger foods, music, door prizes and good company with a BYOB option, not to mention a dip in the pool under the stars.

Teen Nights (June 18/July 17/Aug 13) were given a little boost by us opening the age limit to include pre-teens going into middle school. We even included a special feature of "Jaws" on July 17. We are happy to relay attendance has come up dramatically and will continue to offer Teen Nights next summer.

Now, let's give a big shout out to our pool personnel/volunteers for another great pool season. **THANK YOU** to:

**Dawson** for ALL your hard work and dedication by taking on our Lead CPR/Pool Attendant position and making sure all our daily pool operations were in place for your enjoyment.

**Victoria** for returning and doing an outstanding job as our 2nd CPR/Pool Attendant on evenings/weekends and being flexible to cover shifts if/when needed. She also did an amazing job by theme decorating for each movie and went ALL out for our Christmas in July as well.

**Katie** for learning the ins/outs and providing great customer service at our Concessions and not to mention

serving as extra CPR attendant during our movie nights.

**Cyndi Manes** for returning as our volunteer again this year to oversee our Adult Swim/Tues-Fri. Our attendance was the highest it has been in years. We look forward to the same next summer.

**Susan Hodge** for continuing to oversee and volunteer for our Adult Swim on Saturday mornings.

**Deb Edens** for stepping up to oversee the daily pool operations/personnel as well as any/all other Clubhouse duty when necessary, not to mention ensuring our Movie Nights were made possible by setting up our A/V equipment. Last but not least...

### THANK YOU Bob Robbins

Your selfless and continued efforts to ensure our pool is maintained and chemicals are balanced on a daily basis are appreciated beyond words. Our entire pool season could not be possible WITHOUT YOU.

You may start decluttering/clearing out your garages/closets. Our Community Garage /Rummage Sale will be on **Saturday, October 5 (9 a.m. -2 p.m.)**. You may host at your residence or rent a space (\$10) at the Clubhouse. Keep in mind, if you host at your residence, you must obtain a permit, which can be purchased at your local HEB. **Contact Diane Luna at (210) 393-6976 with any questions/concerns.**

Our annual **Spaghetti Plate Fundraiser** will also be held alongside this event. Plates include spaghetti with or without meatballs, salad, roll and drink for the low, low price of \$6.

Halloween would not be the same without our annual **Halloween Boo Bash & Egg Hunt. It will be held on Saturday, October 19 from 6 p.m. to 8 p.m.** Also at this event, we will offer the movie "Hotel Transylvania 3" as an added treat.

We look forward to a great turnout. I believe this indeed has become a community tradition. This event is open to all Royal Ridge residents.

### ~Candy Donations Gladly Accepted~

As a final note to our pool season, I would like to thank everyone for your support, patience and understanding as I battle my cancer diagnosis and undergo chemo treatments. I started out with a diagnosis of Stage 2 cervical cancer, which was to have been treated with five weeks of radiation. However, by the time we were ready to start treatment, imaging revealed that it had spread into my ovaries and lymph node. We were now looking at Stage 4 and six rounds of intense chemo.

Of course, the first treatment was at the beginning of pool season on June 11. I was not able to be at the pools as much as normal over the season due to chemo after effects, doctor appointments and lab work, possibly causing some things to fall through the cracks. I wish to apologize for any inconvenience this may have caused.

I'm happy to report that I'm now down four rounds of chemo and only two more to go. I am feeling more and more like myself with each one. This chemo thing must be working...LOL!

Thank you again for all your thoughts/prayers. Keep them coming...They're working!!

I hope we will all continue to see the value of our facilities and work towards its' continued existence. We thank everyone for their continued support. As always, please feel free to contact me with any of your suggestions or feedback via my cell at **210-393-6976** or e-mail me at [diane.luna12@yahoo.com](mailto:diane.luna12@yahoo.com).

~ GIRL SCOUT TROOP 00871 ~

\*\*\*WE'RE BACK\*\*\*

After taking a summer break, Troop 0871 is back up and running. Our multi-level troop was formed in late March 2016 consisting of Daisies, Brownies and Juniors. Since then, two of our Juniors have bridged over to Cadettes, adding yet another level.

Our troop levels will meet at the Clubhouse from 6 -7:30 p.m. on the 1st and 3rd Mondays of the month. Our first meeting will be on Tuesday, September 3 due to the Labor Day holiday.

This year we will start out with the Stem Expo on Sept 14th and a pet food donation drive in October.

The Girl Scout Council has partnered with Meals on Wheels and will be collecting pet food for their client's pets during the month of October. We will have a donation bin located by the front entrance of Clubhouse for donations. We hope you will help make this community project a success.

We hope to incorporate a monthly field trip and/or volunteer opportunity to include an HEB Nutrition Tour, Haven for Hope, Food Bank and Scobee Planetarium to name a few. We also hope to visit a corn maze in October as one of our fun events.

Here's to a fun and productive year. We will keep you updated on our projects/activities via this newsletter. Please feel free to contact Diane Luna at (210) 393-6976 for more information or any questions/concerns.

### MONTHLY LADIES LUNCHEON

Janet Latiolais, Coordinator, 210-655-1873

Email: [jmlatch@satx.rr.com](mailto:jmlatch@satx.rr.com)

If you are interested in attending the next monthly ladies luncheon, call me to RSVP. This luncheon is a great way to meet new ladies throughout the neighborhood.

We always need to let the restaurant know how many will come. We average about twenty (20) ladies per meal and WOW, that's great! We have about 30 names on the list, but not all ladies come each month.

We carpool and if you call, I'll make sure that you are in someone's car from your area of the neighborhood. There's no reason for you to always be if you live alone.

Please come out to meet your neighbors and make new friends.

### "FALL SERVICE"

We are growing and looking for new properties to manage! No job is too big or too small. Take a much needed break, stay inside, and let us deal with the heat. October is the month you need to prepare your turf for winter. Winter Fertilizer is a must to strengthen your root system to ensure quick green-up in the spring. We can treat your yard with Lesco/John Deere's top quality winter fertilizer for just \$35. We also recommend you compost your grass. This will help heal your turf after the heat and add much needed nutrients to the soil. It is also our pleasure to help you with any questions you might have about your yard.

# NEIGHBORHOOD NEWS

## PATIO HOMES I

Lisa Gerlich, Reporter, 210-590-6095  
Email: [lisagerlich@me.com](mailto:lisagerlich@me.com)

Greetings. Hot enough for you? It is for me. This message is not going to be very long. It would be fun to be able to include news from our neighbors. Please call me a **(210) 590-6095** if you have anything special to report or to introduce yourself if you are a new resident.

We still have plenty of garage lights out, so I am going to reuse part of my last blurb. If you cannot change your bulb, call me at (210) 590-6095, and I will coordinate the bulb replacement. If you are having a problem with your photocell, Ernie Jones (who served for many years as our maintenance director) has offered to replace defective photocells for a reasonable cost of \$25. If you suspect that you have a faulty photocell call Ernie at (210) 653-8206. When it gets a little cooler, the compliance committee is going to make a limited run that will concentrate on informing people that their garage lights are not functioning.

With help from the San Antonio Compliance Department, residents cleaned up a lot of garbage from the back allies. Thank you. Yards are looking a bit better also. I intend to continue reporting issues to code compliance. I hope that everybody has an enjoyable rest of the summer.

## PATIO HOMES II

Kathie Obeck, Reporter, 210-967-5038  
Email: [dkobeck@sbcglobal.net](mailto:dkobeck@sbcglobal.net)

Please mark your calendars for our Annual Board meeting, which will be Thursday, November 7 at the Club House.

Sadly our neighbors **Bill Keys**, from Grand Circle passed back in May, and **Donna Humphreys**, from Grand Club passed away in July. She owned **Biff Busby's Burgers**. Our condolences to both families.

Trashcans don't have to smell. If you freeze your wet garage from the kitchen and put it in trash cans on Sunday night or Monday morning there isn't any smell. Our Covenants state that trashcans are to be out of sight from the Alleyway. We still have a few residents who do not wish to follow our rules, so the Board is requesting that they please follow our Covenants.

Thank you all as most of our yards are looking pretty good. We can be proud. In the last Recorder Patio Homes I President Lisa Gerlich wrote that their members should take a walk or a drive in our area and they would see that all or almost all of their garage security lights are functioning. Thank you Patio Homes I for the compliment.

## GARDEN HOMES I

Gary H. Harmon, Jr, Reporter, 210-884-6926  
Email: [gharmon@idworld.net](mailto:gharmon@idworld.net)

**Weeds-Weeds-Weeds.....**They continue to be an issue. Folks spray them with weed killer and they die but they need to be removed and trashed.

Trash cans should be removed from the alley after trash pickup.

Alley landscaping and rock care is just as important as the front. All areas either make a positive or negative opinion with friends and visitors.

Make sure your alley security lights are working. Don't assume they come on at night. Double check.

## Be a good neighbor!

Howdy neighbors. Oh my, this heat gets worse and worse each year that I get older. You faithful daily walkers have my vote for being the hardiest in this heat. **Star** wants to go outside right after our evening meal, but I put her off for another hour. **Pat Bigg's dog, Curly**, has to be coaxed from under the bed to go out in the heat...smart little four-legged family members.

School is back in session and the noise of the little ones seem to be closer to the building. It's even too hot for them to think about running off some of their energy! And, I bet lots of you are wondering how much more dry heat your plants and yard can take before the rain finally comes.

We've had some neighbors who had been down during the summer with surgeries and a variety of ailments as well as some family members away from San Antonio who were also sick, so several friends have been busy recouping or going to help an out-of-town family member. Oh, let's not forget the daily senior swimming taking place from Tuesday-Saturday at our pool. There are sometimes up to 15 folks taking advantage of the value of exercising in water instead of the street or sidewalk. All parts of Royal Ridge have folks (both men and women) exercising each morning. We're getting to know each other very well and members of their families as many hilarious tales are shared by the participants.

Again, I must remind all the ladies of the subdivision that our monthly ladies' luncheon is open to any resident lady who wishes to come and meet her neighbors. We have three luncheons left for the year; we skip December since everyone is so busy. In October or November, we will go to Biff Buzby's to eat as a remembrance to the owner and previous neighbor (Patio II resident Donna Humphreys) who passed in July. I, for one, hope it continues to remain open as it always has great food.

Stay well and always remember what a great neighborhood we live in!
