

Membership Form 2019-2020

The Goddard Booster Club is a non-profit organization that raises money to support activities at Goddard Middle School and Goddard High School. We support extra-curricular sports, activities and clubs as well as school related fundraising events. We accomplish all of this by selling activity passes/booster club memberships and hosting our own fundraising events throughout the school year. The money we raise goes directly back to the Goddard students. Last year, we donated over \$33,000 to GHS and GMS based on their wish list requests. For more information, please visit our website at www.goddardboosterclub.com.
