Spring Cleanup:

The snow has melted for the most part. Now is a great time to come to the Park and spring clean your lot. The Board and the Caretakers would appreciate it if you could also do a little extra and help clean the common areas along the ponds. Unfortunately last fall no leaves were picked up so there is a lot of clean up to be done. Ponds will need to be bottom cleaned. If you're willing to lend a hand please reach out to Tim, Rick, or Kenny so they can help direct you. Thank you everyone! The LTRVP Board

April 15, 2021 -

Recently, the Park's Spring Newsletter was emailed out to all of the lot owners who have chosen to receive email communication. There were 269 emails sent. If you did not receive the communication via email, please first check your spam or junk folder to see if it's in there. If you did not receive it or want to sign up for future email communications please send your email address, full name and lot # you own to: cascaderv2020@gmail.com

March 28, 2021 -

If you are late paying HOA dues, your clubhouse access cards will be deactivated April 5, 2021. Reactivation charges are \$5/card once HOA dues are brought current and all late fees are paid.

March 23, 2021 -

This is the latest information we received from ITD at of 2:22 pm 03/23/2021
I want to thank you all for your continued patience as we navigate through the current situation on ID-55

Starting Wednesday, March 24, Idaho Highway 55 will have daily openings to one lane of alternating traffic from 8 a.m. to 3 p.m. Travelers can expect at least 15 minutes delays during this time. Crews will be actively monitoring the rock outcropping and are prepared to close the road immediately if weather or hillside conditions change. ITD recommends travelers, especially large vehicles, RVs, and trucks pulling trailers, still use U.S. 95 as the alternate route. Our ITD personnel and contractor crews have worked nights and weekends to open the road and protect the public. While this is a major milestone, we recognize that there is still significant effort required to resolve this issue. ITD is working alongside national slide experts and finalizing plans to safely remove the remaining rock outcropping, which will require additional full road closures. These closures will likely begin in the next seven days. More information about the closures will be provided as it is available. Drivers are encouraged to plan ahead, visit Idaho 511, and pay close attention to the message boards on ID-55.

Highway 55 will be closed after 3 pm to through traffic until 8 am, the next day until further notice. Once the debris is cleared from the slide and safe for travelers, ITD will go back to the restricted highway use Monday - Thursday 10:00 - 2:00 pm.

March 16, 2021 -

Highway 55 is closed due to a rock slide. After national rock slide experts assessed the situation on Thursday, the decision was made to keep the road closed through Sunday March 21, 2021. Check with ITD for updated <https://lb.511.idaho.gov/idlb/roadreports/event.jsf?sitKey=CARS4-29280&view=state&text=m&textOnly=false¤t=true>
