

# 3-D DANCE REGISTRATION POLICIES

**We require all families to leave a valid credit card on file at the time of registration.**

Once enrolled, parents can create a customer account using the email address provided with their registration. All future enrollments, updates to payment methods, and review of transactions or student schedules can be handled using the customer login.

**At the time of registration, you will be charged for your first month's tuition plus an annual registration fee. We do pro-rate monthly tuition when a student enrolls mid-month.**

To offer the best possible experience to each student, class size is limited. A class will become "wait list only" when it reaches the maximum registration limit. Classes are first come first served.

## **Trial Class Policies:**

1. Trial Classes for Currently Enrolled Students: We strive to develop well-rounded dancers who can perform and excel in a variety of dance forms. We encourage our students to try a variety of dance styles and we are more than happy to accommodate trial classes for current students who are wanting to try something a bit different. Please email the studio ([info@3-Ddance.com](mailto:info@3-Ddance.com)) if you are a currently enrolled student who would like to try a new class, and we will be happy to fit you in for a trial (provided the class has not reached capacity).

2. Trial Classes for Prospective Students: We offer risk-free enrollment. That means, students will be charged for first month's tuition (pro-rated if the enrollment is mid-month), and annual enrollment fee at the time of enrollment. If the class is not a good fit, alternative classes will be offered. However, if a newly enrolled dancer is not interested in continuing in any class, a full 100% refund of both tuition and enrollment fee will be made, provided that an email is sent to the studio within 24 hours of attending the first class.
