OCTOBER 9-11, 2014

MIDTERM GRADES

By Bob Epling (thecampusgame.com)

The month of October brings to mind special memories on the college campus. Chilly mornings snap students awake for early morning classes. Leaves change colors, tumble from the trees, and rustle across the quad. Homecoming festivities welcome alums back to the alma mater for the big game.

Oh yeah, students get midterm grades.

Well, not all memories read like a Hallmark card. Welcome back to THE BLITZ, your weekly source for all the campus football news, schedules, and statistics.

What a memorable college football week we just experienced. Top-ranked teams fell like those autumn leaves following a storm. Oregon, Alabama, Oklahoma, Texas A&M, Stanford, LSU, UCLA, BYU, Nebraska ... those are among the top teams that lost last week. Luckily for those teams, the new college football playoff allows for makeup work. So, a squad that lost for the first time is not out of the championship chase.

In the spirit of midterms, let's assign a few marks for the season. Does your team make the grade?

Summa Cum Laude – Auburn and Baylor are the teams with highest honors at midsemester. The Tigers probably should have won the national championship last season, and they have arguably been at the top of the class in 2014.

Dean's List – Florida State, Notre Dame, Mississippi State, Ole Miss and TCU. Those teams are listed alphabetically, but whether any of them are playoff worthy will not be determined until after fall break.

Solid Bs – Alabama, Arizona, Michigan State, Oklahoma, Oregon and UCLA. Do not be surprised if one, or even a couple, of teams from this group buckles down and makes the playoff at season's end.

Gentlemen's Cs – Georgia, Georgia Tech, Nebraska, Ohio State, Oklahoma State, Texas A&M, and USC. These teams can go either way during the second half; they either push through some setbacks and earn good grades and a New Year's Day bowl, or do just enough to get by and coast till Christmas.

Failing – Michigan and Texas ... although different vibes surround each program. Brady Hoke seems to have lost the program in Ann Arbor, while Charlie Strong is grabbing control of the Longhorns in Austin.

Playoff Projections – Since we are midway through the 2014 campaign, we can start projecting the teams most likely to make the four-team college football playoff. Those teams are Auburn, Florida State, the winner of Baylor-Oklahoma, and the winner of the Pac-12 (or a second SEC team). Keep in mind this projection is just one man's opinion on the most likely scenarios to play out over the last half of the season and the conference championship games. They are not based solely on current records or rankings.

AROUND THE NATION

While it will be difficult to duplicate last week's zaniness, several outstanding matchups are on the docket. The SEC schedule is simply brutal for the Western Division teams as virtually every game is a must win at this point. Starkville hosts a second straight huge game between unbeaten teams when Mississippi State welcomes Auburn. Alabama tries to recover at Arkansas. The Rebels of Ole Miss travel to Texas A&M hoping to return to earth after the terrific win over Alabama. Georgia goes to Missouri in a key SEC Eastern Division game, while Florida hosts reeling LSU.

The Red River rivalry lost a little luster when Oklahoma fell to TCU, but anytime OU and Texas meet, it is always fun. The Big 12 also offers up TCU at Baylor. Out West, the Pac-12 features Oregon at UCLA in what is now a playoff elimination game for the Ducks. USC travels to unbeaten Arizona.

GAME-OF-THE-WEEK

AUBURN AT MISSISSIPPI STATE

After "Upset Saturday" last weekend, we have another titanic match-up as THE BLITZ #1 ranked team, the Auburn Tigers, will travel to Starkville, Mississippi to take on Dak Prescott and the Mississippi State Bulldogs in another SEC Western Division tilt.

Gus Malzahn and his Auburn team is playing better this year than they did last year, if that's possible, and that is scary for the rest of the SEC. QB Nick Marshall has really improved his passing skills from last season and that makes Auburn that much more dangerous and of course his ability to improvise, makes him so difficult to stop.

Mississippi State is coming off an impressive performance vs Texas A&M. The Bulldogs dominated the game much more than the 48-31 final score would indicate. QB Dak Prescott has played exceptionally well and is now in the conversation for the Heisman Trophy. Dan Mullen has done a great job building the MSU program and he has to be a front runner for Coach-of-the-Year honors in the SEC and nationally.

Auburn leads the all-time series 61-24-2 and has won 11 of the past 13 meetings since 2001. In Starkville, Auburn leads 12-5-1. We feel that this could go either way but we're going with Auburn to come out with the victory on the road.

OKLAHOMA'S 47 GAME WINNING STREAK

One of the fun topics in sports, is debating the unbreakable records. Cy Young's 511 wins, Joe DiMaggio's 56 game hitting streak, UCLA's 88 game winning streak in college basketball and Wilt Chamberlain's 100 point game in an NBA game come to mind. In college football, possibly the most unbreakable record is Oklahoma's 47 game winning streak from 1953-1957. In 2012-2013 Ohio State was able to put a 24 game winning streak together and that was barely halfway to Oklahoma's amazing streak. Below we list, in detail, all of the wins in the Sooners streak. We begin with the tie vs Pittsburgh and end with Notre Dame's 7-0 upset win in Norman, that halted the streak. Below we list all the games. Home teams are shown in BOLD CAPS.
