**AMBIT gives you several ways to earn your investment back quickly. One Example: Sign just 3 electric or gas customers in your first 4 weeks, you would have already earned your \$100.00 investment back! If you bring 5 customers in the first 4 weeks, you're already profitable!**

**Also, you are then eligible for your "free energy" check, which could now cover your \$24.95 monthly website/powerzone fee!!! At this point, you would have a debt free business!**
