Treasurer Report reviewed (below) and approved

Treasurer's Report:

\$44,333.20 checking balance

\$14,237.45 CD balance

\$58570.65 Total

Dues are still coming in, 4th of July donations are running about 50% of last year.

Joe Darter Report

Cleared trees and overgrowth on Hiawatha and Ron Smith, will be planting trees in the future to replace dead ones that were removed. Water main repair south of Green Gables to start soon, look for road closures. Getting bids for Association park shoreline work. Meeting next week to bid work. Most likely can't work on Association park updates until after the 4th of July.

Initiative Reports.

Lake Breeze: Lynn reported all articles for the Lake Breeze middle of April, please have submissions by April 8th, will post on Facebook page. City will pick up garbage after cleanup

Spring Cleanup will be April 24th before the Lake Run on May 1st

City Liaison : No report

Beautification Julie Turner: Inner Circle sign in the process of getting bids, checking on plants for Hiawatha sign.

4th of July/Flag. Bob Frietag is playing phone tag with contractor, assuming they will honor last year's contract. Flag is currently holding up well

Address Signs: On delay currently, there a couple of signs to do yet. Will determine whether we will go forward with replacing one or both this year

Neil Finlen reported that the Road project from Ron Smith to spillway is scheduled for 2022, will put in Newsletter. Still working with County Hwy Dept. on marking the bike/walk lanes along Ron Smith

Checking with City about lowering speed limit for 45 to 35 in the recreation area where boats are being pulled in and out.

Chlorine tables: More Tablets available, will add to Newsletter

Guided Nature walks: No report

Camp Partnership: Working with contractor in Pontiac to use road millings and use them on the wheel chair paths in the camp.

Old Business

Lynette: Carol will be writing up an article for the Spring Newsletter about creating a pollenating garden and what type of plants will attract the right pollinators

New Business: None

Next Meeting Thursday April 8th at Davis Lodge. Meeting will be in person and available on Zoom
