

July 2023

Dear Parents/Guardians,

Thank you for your interest in our Faith Formation Program here at St. Pius, Families in Faith. We are excited to be able to journey this path of faith together with your family!

As parents, you are the first and primary teachers of the faith for your children. We are here to help and support you and your family, especially with Sunday classes, community days, and special events. Our goal is to become a family of families within our parish, while continually deepening our relationship with Jesus Christ.

This year we will be using the Pflaum Gospel Weeklies, along with other faith formation resources as supplements. With this program each grade will be deepening their faith and learning about our Catholic Church through the lens of Sunday's Gospel. Because of this, we, as parents, will always have an understanding of each class' overarching theme. I hope this is a blessing for your families to engage outside of class time bringing the conversation home...or at least in the car.

In this registration pack you will find:

1. F.I.F. family registration form
2. F.I.F. yearly calendar
3. FAQ page
4. Circle of Grace (Safe Environment) Training for Minors Permission Form
5. Diocesan Health Form

In addition to this packet, you will also need 1 Code of Conduct Form for each participant, required by the Diocese. These are grade specific forms so please check you have the correct one(s) for your child(ren).

Please return **Registration by July 30th** to ensure materials will be available for your child in class.

**Registration fee is \$20** per child not exceeding \$50 per family. If you have any questions or concerns, please let me know.

Peace & blessings

*Kimly Hoang*
