Panel Track Shades

Natural Woven Shades by Alta bring the magic of Mother Nature to windows through color, texture and a natural tapestry of materials. The exotic woven patterns invite dapples of light into the room, creating a serene escape with natural style.

Product Overview

- **Over 65 gorgeous selections** feature a lavish assortment of whites, neutrals and gray tones
- **Three distinctive collections** offer maximum decorating opportunities
 - *Select Weaves*: Meticulously crafted collection with natural textiles infused with organic yarns
 - *Grass Weaves*: The look of natural grasses, but with the consistency of woven textiles
 - *Woven Woods*: Robust assortment includes natural materials like bamboo, reeds and jute
- **Panel Track Shades** are the ideal choice for large windows, sliding doors, and even room dividers—coordinate beautifully with other shades in the room

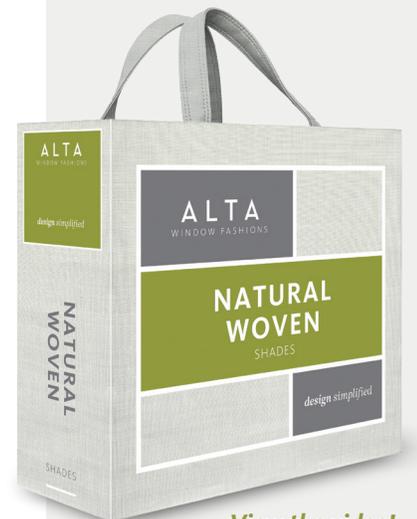

Control and Design Options

- **Full range of automation solutions**, including BLISS™ and Somfy; other options include Cordless Breeze, continuous loop control with bead chain, and our standard cord control
- **The top-down/bottom-up option** allows more flexibility with light and privacy control
- **Fixed liners**, in light filtering or room darkening, are available with white on one side and the selected color on the other; wider widths allow for seamless construction
- **No surcharge** on our two- and three-on-one headrail option
- **Edge bindings** lend durability, structure and a finishing touch
