Re: Student Recreation Center

Dear Mr. Wall:

We extend our congratulations to Contract Erectors' team (Matt Wainscott, Blair Reels, Jose Blanco Cruz, Louie Mya, Jacinto Duarte, Jay Morris, Sergio Lopez, Nelson Recinos, Francisco Canals, Tony Brown, Omar Velez, Gordon Shillinger, Roberto Colon, Wayne Greer, Mark Capps, and Chad Wall) for being awarded the UNCG Craftsmanship Quality Award. The recipient of this award is selected by a team of people working on the project and is intended to recognize high quality work on the part of members of the total project team. In selecting the recipient of this award, the selection team noted the team's performance of structural steel for the UNCG Student Recreation Center. CEI's attention to safety, coordination, details, sequencing and fabrication represented by the efforts of the devoted and tireless employees has made CEI a key part of delivering a successful project for UNCG. We commend your company for receiving this award and look forward to working with you in the future.

Sincerely,
