Dear Parents and Guardians,

Federal and State laws require the permission of a parent/guardian as it pertains to the release of their student's name, school affiliation, and limited identifying information when that information is to be shared with an organization external to a school system. In order for a student to participate in auditions for any of the SLBDA honor groups, the parent/guardian must sign a consent form enabling the use of the student's name and limited identifying information during the audition, selection, notification, and participation processes.

What information is collected?

- Student name
- School
- Instrument or vocal part
- Grade
- Photographic and/or video in group photos and/or video recordings of the performance

How will the information be used?

- For scheduling and registration during the audition process
- For notification of selection to an honor ensemble via the association's website – slbda.org
- In concert programs
- On honor ensemble t-shirts
- Publication of video recordings and/or photography of the performance

This information will not be shared with any other entity.
