D'rasha Rabbi Debra Bowen

Tag Team evening service and others

See Rabbinit Plummer to make arrangement in advance with your feast dues

Shalom Family,

I'm reaching out to you in behalf of the Feast day committee. This year we are unable to gather for the feast but we still want it to be special nonetheless. I am asking if your family could put together a 30 second video. The video will be a Sukkot greeting. Feel free to be as creative as you would like to be. They will be played during the week of Sukkot. Video submissions are due by September 30th. Please email your video to bethelbwa@gmail.com.

Shenice Evans

Power the Polls: Get out the Word!

Thanks for agreeing to share this information with your network. With your help, we can POWER THE POLLS in Philly on November 3rd, and make sure that every American can exercise their right to vote!

Please feel free to customize the messages in a way that you think will best resonate with your members. You don't have to use all of the tools! Just the ones you think will have the most impact.

EMAIL TEMPLATE:

Subject line: Want to make \$250 helping people vote?

Philadelphia needs poll workers!

You might have heard that in the June primary, there was a staggering decrease in poll workers, and over 70% of polling locations closed. That's because most veteran poll workers are older folks and can't work. Fewer polling locations hurt the ability of many residents to vote.

The City still needs to recruit thousands of paid poll workers for the November election. (We're not putting out a call for volunteers! This is PAID WORK! Plus, **the pay was just increased to \$250!**) We're hoping you can sign up and help spread the word.

1) If you can, please [sign up here](https://www.powerthepolls.org/?source=CFG) to be a poll worker and encourage your friends to sign up too. The process to become a poll worker can be a bit complicated, but don't worry: the Power the Polls team will help you along the way. <https://www.powerthepolls.org/?source=CFG>
And don't worry if you don't hear back right away! You may hear right after you sign up - or not until a few days before election day. There are thousands of workers to coordinate and it takes time.

2) Please share this sign-up link in **emails to your friends, post on Nextdoor**, and on your **social media channels**: <https://www.powerthepolls.org/?source=CFG>)

3) Let people know they may not hear back right away: the process is complicated and cities often move slowly. But applications are welcome and needed.

Thanks for helping PA Power the Polls,

You might have heard that in the June primary, there was a staggering decrease in poll workers, and over 70% of polling locations closed. That's because most veteran poll workers are older folks and can't work. Fewer polling locations hurt the ability of many residents to vote.

Happy birthday to you – Yom Huledat Sameach
