      2. Airport to use: Norfolk Airport or Newport News Airport

      3. Theme of the meet—Dolphins
      4. Boat sunset cruise-7:30 board, 8:00-10:00 cruise-eating on boat-looking into a couple option depending on expense, if spouses of coaches want to go they will have to pay \$35, this is not open to parents. 4. How to Score in 2009:

- a. 4 vs 3 scores to count for team score:
  - i. Most states use 4 scores for their team scores
  - ii. 4 scores would increase the necessary depth for a team to have
  - iii. Would a state not come if they can't get 4 kids-states come now that only have one or two gymnasts
  - iv. More kids would feel like their scores will count and be needed
  - v. No difference in places if we would have counted 4 scores this year
  - vi. Propose to count 4 gymnasts per event was set forth by John Cunningham, Margie Canfield seconded the motion, all were in favor, no one opposed
- b. Federation or USA Level 9 Modified
  - i. Why do we currently use level 9 modified discussion:
    1. We thought USA judges need to fulfill a "pro-bono" requirement and we are it for some of them
    2. Some think it shows a better separation of the top of the top due to the increased requirements and difficulty available
    3. Comment about the Federation rules were starting to be more and more similar to USA rules anyway
    4. Why not use Federation rules since that is what most high schools use during their season anyway.
      - a. Harder to get judges?

- b. Those who use USA Level 9 or 10 are able to “dumb down” their routines and score better than they would if they used level 9
    - 5. Comment to have a brochure made to help Federation gymnasts meet the Level 9 modified requirements—Margie will look into this with judges she knows that judge by both rules.
    - 6. Proposal to continue to use USA Level 9 modified rules the 2011-2012 Federation Rules book comes out and then revisit the issue by Margie Canfield, seconded by Bethany Mihaly, 6 yes, 1 opposed
  - c. All Star and Team or all one group-
    - i. Compared scores as to with and without All Star (individual)-change in winner of meet (1<sup>st</sup> and 2<sup>nd</sup> switched) all other places stayed the same, three teams would have had one more gymnast score for their team ☺
    - ii. Proposal to eliminate two “division” and give each state the chance to have 12 gymnasts per event with 4 scores counting by Margie Canfield, seconded by Wendy Cauthen—all in favor, none opposed.
- 5. Board Member Jobs:
  - a. Committees-Chairs were appointed to each committee

9. How do we promote the NHSGA?
- a. Gymmeet.com---chalkbucket.com websites that will help get our name out there
  - b. Bethany Mihaly to create a pamphlet to promote NHSGA and send to Ex Board members for suggestions and a vinyl window cling to members to put “wherever” they would like to.

    - ii. Discussion of turning our SSI into an International Senior Showcase Invitational—everyone seemed excited about this possibility ☺
10. Other business:
- a. All American Team Scores—
    - i. Count 4 for team scores not 3-Bethany to come up with new averages for website page.
  - b. Discussion of
  - c. If coaches are given a hard time by their state as being a “coach” at the SSI they can be called “sponsors” and it doesn’t send up the “red flag.”
  - d. We need to PUBLISH family opportunities for family fun better.
  - e. Map to coaches hospitality room and post hours.
  - f. Darker march in state signs and have a “band stand” to hold the signs at each event.
  - g. Goodie bags—better this year but have each gymnasts bring a team/state t-shirt to put into a big bag to trade with other gymnasts who brought one. Give out tickets when you donate your shirt so you are assured a pick as well.
  - h. Coaches and gymnasts meeting the evening after the practice-try to include ALL gymnasts if the space allows.
  - i. Definitely make sure ONE person is at the music station to play all music.
  - j. Need to order more awards for next year—John in charge of that.
  - k. Get more vendors at meet site-lobby—Margie to solicit these
  - l. Discussion of the gymnasts that attend the SSI should automatically be All American Gymnasts—some states the gymnasts isn’t of All American caliber but the gymnasts “wants” to come to this meet since it is her last meet ever; this topic didn’t really get anywhere—revisit at next

meeting—maybe those who make the finals??? The coach is already a member and just needs to do the paperwork to make it happen.....

- m. Online Membership forms—PayPal as an option?
- n. Meet responsibilities need to be more clearly defined and more evenly distributed
- o. Made sure all names, address, phones, etc were accurate of board members.

Motion to adjourn meeting at 7:26 pm by Dean Ratliff seconded by Mike Martin—of course all were in favor. ☺
