

Rejuvenate Reading Workshop

❖ for children entering Grades 2-4 Fall 2018

Spend time surrounded by the beauty of nature, in the company of horses, playing games, and rejuvenating reading skills.

We know children can lose ground over the summer simply by not reading. Let's spend time reducing that "summer slide" by reading in an engaging, unique way with horses as our reading partners and the Earth as our classroom.

Workshop 1: Tuesday-Thursday July 31- August 2

Workshop 2: Tuesday-Thursday August 7- August 9
