

## CANYON BAND BOOSTERS

The Canyon Cougar Band program is among the most accomplished and recognized programs in the State of Texas due to the hard work, dedication, and talent of outstanding students and teachers. But they can't do it alone!

The Boosters help the entire band program in grades 6 - 12 including Canyon Middle School, Church Hill Middle School, Danville Middle School and ultimately Canyon High School. Funding the activities of the Canyon Band Program is critical to helping our students reach their maximum potential on the field and in the concert hall. Your membership allows your family one vote for all Band Booster Business.

Your Band Boosters membership helps:

- Purchase and repair thousands of dollars worth of instruments, equipment, and props
- Manage the non-profit program for our band students
- Hire professional clinicians to prepare bands for competitions and assessments
- Supplement/cover fees associated with individual and group contests
- Feed the band students for special events and activities
- Award Canyon Band Booster Scholarships to students attending college
