Additional entries for the same dog for all classes except Detective .....	\$25.00
Detective.....	\$45.00
*an entry is defined as a single run by a single dog. Entry fees include a \$3.50 per run AKC recording fee.	

### Mail entry forms and fees to:

Keri Ensign  
500 Meadows Blvd  
Pickerington, OH 43147

Please make checks payable to the **Columbus All-Breed Training Club or CATC**.

No entries will be accepted by phone, email, or fax. Express mail entries must include the signature waiver allowing them to be left at the secretary's address. Inquiries may be directed to Keri Ensign at [keriensign.cafc@gmail.com](mailto:keriensign.cafc@gmail.com). No entry shall be made, and no entry shall be accepted which specifies any conditions as to its acceptance.

**Illegible entries** will not be processed and will be returned to the exhibitor.

**Returned checks** do not constitute a valid entry and the Trial Secretary will add a \$25.00 collection fee to the amount of each returned check.

## WAIT LIST INFORMATION

**Columbus All-Breed Training Club** is offering a wait list to fill openings created by withdrawn entries after the trial's closing date/time. A maximum of **50 entries per day** will be placed on the club's wait list. All entries, including wait listed entries, must be received by the Trial Secretary no later than **August 26, 2022**. No entries may be withdrawn with a refund after closing on **August 26, 2022**. If a withdrawn entry is replaced by a wait listed entry, a full refund will be issued for the withdrawn entry. Any wait listed entry that does not move off the wait list into the trial will receive a full refund.

## STAGING AREA, HANDLER'S BRIEFING, AND WARM-UP INFORMATION

**Staging Area** will be at the Pavilion, which is out of view of the search area(s). Staging area will include a warm-up and waiting area, as well as the secretary table for check-ins and posting of running order and results. All crating must be done from your car.

The **Handler's Briefing** will take place in view of the search area prior to the start of each class, after the hide(s) have been set and after the Demo Dog has run. In the Handler's Briefing the judge will explain if there's an off-leash option, number of hides, maximum height of hides and maximum time for the search. NO DOGS are to be present during the Handler's Briefing.

A **warm-up area** will be designated. One labelled container per target odor being used in the trial on that day will be placed in the warm-up area. This will allow handler-dog teams to prepare themselves for the search prior to their run. Each team should limit their warm-up to two minutes or less so that others may be able to use the warm-up area as well. Blank containers may also be placed in the warm-up area.

## SEARCH AREA AND RING CONDITIONS

Search areas may be of any shape, and of the size specified in the Regulations for each class.

**Search Area Conditions.** Searches may be indoors, on matted, carpeted, wood, concrete or tiled surfaces, or outdoors on grass, gravel, earth, concrete, or asphalt surfaces.

**Search Area Sizes** will be as required in the *Regulations for AKC Scent Work*.

## ADDITIONAL SITE INFORMATION

**Trial Site.** It is not appropriate to scout the trial location prior to the trial date. Many search locations are real-life environments and such visits may risk the host losing the opportunity to use the location in the future.

**Possession of Odors and Training.** Chapter 5. Section 35 of the Scent Work Regulations state "No person other than those engaged in the administration of a trial shall be in possession of any target odor when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than the designated warm-up area".

**Exhibitors are responsible** for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show grounds.

## RIBBONS, AWARDS, AND PRIZES

Placement ribbons will be awarded in each class as follows:

<i>First Place</i> .....	<i>Blue</i>
<i>Second Place</i> .....	<i>Red</i>
<i>Third Place</i> .....	<i>Yellow</i>
<i>Fourth Place</i> .....	<i>White</i>
<i>Qualifying Score</i> .....	<i>Dark Green</i>

A **New Title rosette** will be awarded to dog and handler teams finishing a title. All dogs earning a placement will receive a toy.

If you are anticipating earning an Elite level or Detective title please let Keri Ensign ([keriensure.cac@gmail.com](mailto:keriensure.cac@gmail.com)) know so that she may ensure to have enough titles on hand.

## High in Trial

Only teams who participate in the same difficulty level in all elements offered (Container, Interior, Exterior, Buried), and qualify in each are eligible to win **High in Trial**. One High In Trial winner is chosen per difficulty level; there is no separate High In Trial for the Novice A and Novice B sections. The High in Trial, which excludes the Handler Discrimination classes, is determined by adding the team's faults across the elements. If there is a tie based on faults, then the team's times across the elements will be summed and the faster-finishing team will win. The High in Trial award is not recorded by the AKC. Teams winning High In Trial will earn a rosette.

All exhibitors should obtain a copy of the Regulations for Scent Work, by downloading them here: <http://images.akc.org/pdf/rulebooks/RSW001.pdf>

## NOTICE TO EXHIBITORS

### SAFETY, BEHAVIOR and LIABILITY

**The safety of the dog** is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all searches safely. **It is expressly understood** that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The Columbus All-Breed Training Club and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. The Columbus All-Breed Training Club reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against Columbus All-Breed Training Club or any official thereof.

**Collars, Leashes and Harnesses.** During searches, dogs must wear a properly fitted collar or harness approved by the judge. A wearable camera such as a Go Pro may be mounted to the dog's harness, if desired. Leashes may be of any length and/or retractable. The leash should be made of plain, pliable material.

**All dogs must be on leash** at all times, and retractable leashes may not be used when on trial grounds (except during judged searches). Dogs must enter and exit the search area with the leash attached to the collar or harness, including when waiting in the search area before and after the search. An off-leash option may be offered at the discretion of the judge, only if the area is completely enclosed.

### REFUNDS

**No entry fee** will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Trial Committee. Dogs pulled after closing because of injury or other medical condition are eligible for a refund (minus AKC and club fees) with a veterinary note. Notification must be given to Trial Secretary in writing no later than 30 minutes prior to the start of the first class of the day of the trial.

**Bitches in season** will be refunded the full entry fee. Notification in writing must be given to the trial secretary no later than 30 minutes prior to the start of the first class of the day of the trial.

**COVID-19:** If you are COVID-19 positive you will be eligible for a refund with a note from a Physician.

### RINGSIDE

**Judges are not required** to wait for dogs. The Owner of each dog is solely responsible for having it ready at the search area when it is to be judged. Columbus All-Breed Training Club has no responsibility to provide service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

**EXHIBITOR CHECK-IN:** At check-in you will receive your armband number. Once the time and location for check-in is determined all exhibitors will be notified by email.

## **Exhibitors MUST check-in EACH day they are entered.**

**Claims will be arbitrated as set forth on the Official AKC Entry Form for this event.**

Exhibitors should follow their veterinarian's recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations." Additionally, clubs should include any specific local or state health requirements, for example, proof of rabies vaccination.

Scent Work and the Meaning of Life  
Or  
What you need to know for competition success  
with Dr. John Strassner  
September 5, 2022  
9 AM—5 PM

Dr. John Strassner is an AKC Scent Work Expert Judge and Field Rep. He has been teaching NACSW and AKC Scent Work for over 5 years. John is a natural teacher, and is a tenured professor in Artificial Intelligence and Computer Science. John excels at:

- Getting handlers to know their dog – when their dog is in odor vs. when they are engaged in something else
- Understanding some basic science of how odor moves and travels
- Understanding how to set hides that test specific skills
- Understanding how to problem-solve as a team
- Understanding how to compete successfully (e.g., assess the challenges of a search area, including environmental factors and time limit)

John and his wife Kim have two Shetland Sheepdogs that each have Versatility Grand Championships. However, their favorite sport is, of course, Scent Work. They are only the 5th and 8th Shelties to have achieved ELT-CHs, and both have SWME and SHDME titles. Gwen also has an SWD title.
