Chair: Dr. Michael Clark

Recorder: Michael Fraley

Call to order	Meeting was called to order by Dr. Clark
Field Training Day	<ul style="list-style-type: none"> • Discussed cancellation of the event due to very low enrollment. • Would like to consider rescheduling for May 2025
EMS-C Survey Participation	<ul style="list-style-type: none"> • NC region had 31 EMS agencies participate • The services that participated were assigned a number between 1-31 by Michael prior to the meeting using an order not known by the committee members • Four of the attendees each offered one number of their choosing. • The following services aligned with the picked numbers: <ul style="list-style-type: none"> ○ Lincoln Co EMS - Merrill FD ○ Richfield FD ○ Stratford FD ○ Prentice Ambulance Service • Michael will email the services with their award notice and details of how to use the \$250.
Scene Time Date	<ul style="list-style-type: none"> • Reviewed scene time data provided by Michael • Noted some improvement but also noted that the time spans compared are not the same which could include some seasonal disparities.
Transition of Care	<ul style="list-style-type: none"> • Discussed a plan to promote use of a standard process such as DMIST to improve verbal reports during patient hand-offs. • Dr. Clark noted that the emphasis should be on having some version of a process and if services use something other than DMIST that is OK. • Will begin development of a video similar to the MIST one we did several years ago. • Will update the cards to give services as well.
State MCI Plan	<ul style="list-style-type: none"> • Group discussed offering education to services as noted on Michael's draft education plan • Will offer trainers \$100 per session taught plus mileage • Michael will begin drafting the slide deck
First Line Dry Decon promotion	<ul style="list-style-type: none"> • As noted in the general meeting • Promote with area services
Hypothermia	<ul style="list-style-type: none"> • Discussed opportunity to education services on secondary hypothermia prevention.

	<ul style="list-style-type: none">• Michael suggested making a one-page flier for posting as well as a brief Power Point slide deck that services could use for in-house training.• Highlight that pre-hospital temperatures are not accurate and should not be relied on
Adjourn	<ul style="list-style-type: none">• Motion by Horn to adjourn the meeting. Second by Marg. Unanimously approved.• Group was given a tour of Marshfield Fire/Rescue Department
