

CATHERINE LOTRIONTE

Psychological Counselling Service

If you wish to claim Medicare rebates for the counselling services I provide you will first need to obtain a Mental Health Care Plan and referral letter from your GP. I will be unable to render any rebatable services until I have received the referral from your GP. The referral letter needs to include the following:

- To be addressed to me – Catherine Lotrionte
- To state that a Mental Health Care Plan has been completed and lodged with Medicare.
- To be written on the doctors letter head.
- And finally states the number of sessions for which you are being referred.

You can of course have sessions with me without a Mental Health Care Plan but the cost will need to be fully funded by you and you will not be eligible for any rebates. You may be able to access rebates through your private health insurer. Please check with your provider to confirm this.

If the Doctor has any concerns regarding this or wishes to clarify anything with me, they are more than welcome to give me call on my mobile number

043 808 0084 or email me at catherine.lotrionte@icloud.com.

Thanks Catherine
