

“Invest in Your Child”

Dear Amerman Parents and Students,

Welcome to the 2017-2018 school year!

The PTA Board is looking forward to the many activities we are planning for this year. To fund all the school activities and functions, as in years past, Amerman uses the Invest in Your Child fundraiser as its main source of fundraising for the entire school year. **100% of your tax-deductible donation goes directly to the Amerman PTA** to benefit your child. Without the funds from this fundraiser, many of the activities will have to be cancelled. Your contribution to Invest in Your Child is the main source of funding for important programs at our school, such as:

Junior Enrichment Series: JES brings educational assemblies and programs to support the curriculum goals at each grade level. Some of the programs from last year were:

- “Math Night” at Amerman
- Lego Robot Garage
- 4th Grade trip to Lansing
- Science Alive; Force in Motion
- Visit from an award winning author for March is Reading Month

Classroom/Teacher Grants: The PTA supports our teachers and students by purchasing much needed materials and tools for our classrooms, which directly benefit our children. (e.g., Time for Kids Magazines, funding for field trips)

Other Popular Programs: Art Appreciation, Breakfast with a Buddy, Teacher/Staff Appreciation Events, Playground Equipment Upgrades, Ice Cream Social, School Grounds Improvement, and Recycling initiatives.

100% of your tax-deductible donation goes directly to the Amerman PTA to benefit your child. Without the funds from this fundraiser, many of the activities would not exist.

How can I donate to *Invest In Your Child*? Pay online or make a check payable to Amerman PTA for any amount and return it to school in an envelope labeled “PTA - Invest in Your Child.” To retain these important programs, the PTA suggests that each family donate **\$40 per student.**

NEW this year: Pay Online on Member Hub (www.amerman.memberhub.com)

Thank you in advance for your support! We aim for 100% participation from all of our families so we can continue to bring educationally enriching programs to Amerman!
