

February Newsletter

Word from the Director

Dear Discovery Montessori Academy Families:

During this month, the students learn the importance and meaning of Black History Month. The elementary classes are already working on historical projects. Parent's cooperation and involvement is very important in the learning process of the child. Teachers are more than welcome to explain any project or class work assignments given to your child. Remember, communication is the Key to Success!

In January, Discovery Montessori Academy was part of a Nationwide Movement called School Choice Week. National School Choice is an organization that supports parent's choice of education for their children. In this era time, we as parents have the option to choose the best school that fits our children, whether it's public, charter or private school. National School Choice believes in "parents know best".

On another hand, our Upper Grade Class 3rd -6th Grade is practicing and getting ready for the Statewide Assessment. The test will be given in mid-March. Parents will be notified of test dates. If you have any questions in reference to the Assessment please contact Mrs. Angie for more information.

Discovery Montessori Academy will be having a parent meeting in early March to talk about Step Up for Students Scholarship for the Pre-K Class. Anyone interested in applying is more than welcome to stop by. The scholarship is given at a first-come first serve basis. Keep your eye open for the date of the meeting. Have a safe and happy Valentine Day!

Fondly,
Mrs. Angie Tapia
Head of School

END OF THE YEAR FIELD TRIP
Upper Elementary 3rd - 6th
Graders will be going to Universal
Studios Islands of Adventure in
April. For more info see Office
