

*Peggy Miller received her manicurist license in 2007 after completing an apprenticeship program. During her training she realized how much she cared about people and truly wanted to perfect her skills to give each client their own personalized treatment. From simple nail clipping to a wonderful relaxing spa pedicure, Peggy can customize your visit to suit your individual needs.*

*Peggy specializes in manicures that can include regular polished nails, shellac or the newest in nail polish -vinylux but, if you truly want a treat, her pedicures are heavenly.*
