

# February 2019 Newsletter

We had a visit from a lady from the Royal British Legion called Jane who was delighted to meet the children and accept their donation for selling their clay poppies they made. She presented us with a lovely certificate. We are hopeful that Bella the Blue-tit will once again be nest building as she has been seen in our bird box via the television screen in the Lions Class. The children have been making fat cakes for the birds in this cold weather. The Nursery Class have been making craft birds to go on their Winter tree on the wall.

You may notice that your child's photo has been added to their lunchbox to enable them to become more independent at lunchtime, recognising and differentiating their own lunchbox from others
