Commanders Report

This will be our last meeting before Fall Muster. I can not stress enough for the need for volunteers to help with the hamburger and hot dog. Our plans will be to work on October 17 which will be a school day. This probable will not be the busiest day out of the three but if we can sell some hamburgers and hot dogs than we will be that much ahead on making a good profit. As far as school day we are not sure how successful this will be but we need to work towards making this a part of our Fall Muster. This is what we will be responsible for; programs for the school day, registering the reenactors and making sure they are taken care of on Friday, hamburgers and hot dogs, the battle on Saturday and Sunday, 32nd will prepare the reenactors Saturday night meal, Confederate ball on Saturday night. So you can see why we need as many volunteers to work the 17, 18, and 19. There will be some members who cannot work all three days, some members who can so we can not come up short. Your wives, girl friends, sons, daughters are also welcome to help. Everyone please make an effort to help.

We will have a work day on October 11, to finalized any thing that has to be done to prepare the battle field and have everything in place for when the reenactors start showing up. As of now it looks like we will have five sulders. I am looking for a good spectator turn out. I will give a full report at the meeting.
