Licensed MP Name: _____ **MP#:** _____

Licensed MP Signature: _____ **Date:** _____

Inspection Fees:

- 1) All plumbing of water and sewer lines will be water and/or pressure tested, and in accordance with BCWA #5 and the Arkansas State Plumbing Code. All test equipment will be left in place until the system has been inspected and accepted by the local plumbing inspector of BCWA #5.
- 2) An inspection normally consists of 3 phases: Rough-in, top-out, and a final plumbing.
- 3) The following inspection fees shall apply to inspections by BCWA #5 plumbing inspectors:
 - a. **A minimum inspection fee of \$45.00**
 - b. First re-inspection of water/sewer lines caused by failure of the plumber to be ready for the test and inspection, and/or inability of the inspector to obtain entry for performing testing and inspection; insufficient information as to the location of premises of building; and where re-inspections are necessary by failure to comply with laws, rules and regulations of BCWA #5 and the Arkansas State Plumbing Code requirements shall result in an additional **\$45.00 service charge.**
 - c. BCWA #5 does not perform gas installation/service inspections.
