## SEPTEMBER IS NATIONAL SICKLE CELL AWARENESS MONTH

CHURCHES ARE ASKED TO TAKE UP A SICKLE CELL  
OFFERING ON A SUNDAY IN SEPTEMBER OR A MONTH OF  
YOUR CHOOSING.

*All contributions are tax deductible!*

Contributions are used to assist Sickle Cell Patients experiencing extreme emergencies and Mental Health assistance which cannot be covered by State Funds!

This disorder is a “highly neglected cause” in the general community. Please join us in reaching across barriers of neglect, misinformation, ethnicities, poor funding, challenging life experiences, and “unwarranted personal shame” to help those who often feel forgotten.

**Please join us as we continue to put Compassion Hope, and Love  
into Christian Action!**

*Thanks for your consideration and assistance! Please complete the registration form on the “Invitation to Churches” page.*

Rev. Albertha H. Cook, MPH, M.Ed.  
Executive Director

# Giving to Make a Difference

The need is verified before assistance, to prevent false assistance. No money is given to the individual but to the source after providing the needed services.

Sickle Cell Disease is “often the forgotten disease” so we encourage the compassionate help of those who are looking for charities to assist and who want to make a difference in the lives of hurting people.
