Dear CLEWS Families,

Thank you for your patience as we have been working together to adapt the CLEWS curriculum to be able to bring it into your home.

The first part was D-RAL...Daily Acts of Learning...please continue to expand upon that.

(I borrowed this from "Random Acts Of Kindness"....RAK)

Some of you have shared your creative ideas for RAL.

Let's continue to share these with all of us.

We now are including a video from your teacher, downloading worksheets, a list of ideas, explanations, and some links to stories/activities on line. Thanks to the staff for input, and especially to Ms. Whitney who is enhancing our website!

Love, Ms. Ronda, Mrs. B, Ms. Whitney, Ms. Melissa, Ms. Denise
