Sales Opportunity

Finding qualified talent in today's workplace is both challenging and time consuming. There are more candidates looking for jobs now than ever before. Companies do not have the time, expertise or resources to dig through all the unqualified candidates in order to find the qualified candidates that they are looking for.

c1search can deliver employers qualified candidates in a timely fashion. They have been in business since 1996, and are experts in finding the right person for the right job. If a company is looking for a new employee c1search can help them. They have successfully placed 1000s of candidates in jobs for companies with even the most demanding requirements.

Target Customer

Companies of all shapes and sizes need help finding qualified employees. c1search normally deals with larger companies who have an on going need to fill positions, however they will help smaller companies just the same.

c1search has found its niche in the technical field, often being called on to place computer experts in jobs across the country, however c1search does not stop there. c1search has the experience and candidate pool to fill just about any job, from CEO to temp worker.

Key Benefits

- **Deep Candidate Pool.** They simply have more candidates to pick from than any other business, they deepen their candidate pool all day everyday.
- **Experienced.** They have been in business for 19 years and have successfully filled 1,000s of positions.
- **Pay for Results Only.** They only take payment if they successfully fill the open position, so there is no risk in hiring them.
- **Speed.** c1search can fill positions quicker than employers because they have pre screened all their candidates.

How to facilitate the sale.

First you will need to confirm with Guylaine DiSalvo that you are authorized to sell to any potential customer. Once the customer is contacted, you will need to refer them to Guylaine so she can complete the sales process, she will finalize all sales.
