PRAYERS

Please keep the family of Dean Rodgers in your prayers as they mourn his recent passing.

It's always difficult to hear of a fellow member passing but it is especially heart-breaking when the member is young. Please keep the family and friends of Alan Stevens in your prayers as they come to grips with his tragic passing. As I reflect on a young man's life that was cut short I can't help but smile as I remember his infectious ear to ear grin that had a way of lighting up your day. His hug that would consume you with a sense of security that he cared for you no matter if you saw him every day or if it had been months. Alan's dedication showed through his go big of go home attitude. He gave and never expected a speck of gratitude in return. He truly had a golden heart and was loved by more than he will ever know.
