Quotes:

“She is an outstanding young woman who has generously volunteered her time with many organizations including earning the highest award (Gold) in Girls Scouts and was Valedictorian of her high school. At UCLA she has maintained the highest grades and continues to impress with her discipline and confidence. She makes responsible decisions and brings honor to her family while modeling honesty and hard work to those younger who will someday follow in her footsteps.” **Karen Boelter** - Family Business Manager

“I want to take this opportunity to thank you for the generous contribution that you made to the Anchor Scholarship Foundation, through which I received a scholarship. Because of your contribution, I can now feel less stressed about the financial burden that college brings. ... I am so excited to continue learning more about computer science and aspire to be a software engineer after graduating.” **Sarah**
