FEATHERS IN THE WIND

There is this commercial on television that begins with "it's the most wonderful time of the year." I thought, they were referring to Christmas because the song is sung at that time of the year.

Wrong again! The commercial was for a medicine for those of us who suffer from pollen allergies.

Yes, everything is blooming, the grass has turned green and one no longer has to shiver because of the cold weather, but (and this is a big BUT) the pollen is all over and even if you don't see it some of use "feel" it.

There are some advantages to having allergies. The first one that comes to mind is that I no longer an asked to mow the lawn.

Ironically I sort of enjoyed doing that because our backyard is large and I would get creative and make patterns with the mower. There was the problem with the fruit trees, but if I mowed around them first and then headed for the "flat lands" it got to be fun for a little while.

A disadvantage is/are strawberries. I love them! Ever since I was young I would get a rash from them. My granddaughter, who we consider "angelic", loves to tempt Oma by showing her the strawberry crop or eating them in front of me.

Even the smell of those delicious red berries send me to a place of delight, oh, but hang one if I so much as take a bite from one. The Benadryl comes out along with the lotion.

The worst thing of all is that Charlemagne loves to garden. I love him very much and appreciate all he does including bringing me flowers, but he and I both know that certain flowers such as lilacs will make my eyes water and start me sneezing.

Last night I had an asthma attack. My inhaler was empty and it was Sunday night so I tried my old trick of taking slow deep breaths. It took me until 1:30 to finally get to sleep.

AMANA NEWS AND NOTES

Primary Election Day is June 7 Hot County Supervisor Race Expected

The primary election day in Iowa is Tuesday, June 7, but you can vote at the Iowa County Auditor's Office in Marengo, Monday through Friday, 8 a.m. – 4:30 p.m. starting May 18 or on Saturday, June 4 from 7 a.m. until 3 p.m.

The last day you may request an absentee ballot is May 23, 2022.

According to the Iowa County Auditor's office, you may now register to vote at your precinct on Election Day. You do need to register if you have moved. If you plan to register on Election Day, you will need to provide proof of identity (photo ID), proof of residency (your current address in the precinct on a utility bill, W2 form, or bank statement) and sign an oath. This process will take extra time at the polling place.

Voters are urged to pre-register by May 23, 2022 in the Auditor's office to avoid a delay at the polling place. Remember you must register to vote if your residence has changed.

Voter Registration and Absentee Ballot Request Forms are also available by mail or on the web at www.iowacounty.iowa.gov. For further information, please contact the Auditor's Office at 319-642-3923 Option #0. Sample ballots for the Primary Election will be published the week of May 22, 2022. Sample ballots will be available for viewing on our County website www.iowacounty.iowa.gov in the coming weeks.

Please remember to bring a photo ID with you when you vote. Voters are required to provide an approved form of identification at the polling place before they may cast a ballot. Voters who are not pre-registered or who have changed precincts also may be required to provide proof of residence. Any voter who cannot show ID may have their identity attested to by another registered voter in the precinct who has proper ID.

On the primary ballot in Iowa County, six Republicans are vying for three spots on the ballot. John Gahring and Kevin Heitshusen are seeking re-election to the Board of Supervisors and Vickie Pope is not seeking re-election.

The Republicans on the primary ballot for Supervisor are: Derek Brenneman (Ladora) Jonathan Degen (rural route Williamsburg) John Gahring (rural Homestead) Kevin Heitshusen (Williamsburg) Chris Montross (rural Williamsburg/Millersburg) and Rick Rodgers (Parnell). The top three vote getters will advance to the fall election.

Former Amana Colonies Convention and Visitors Bureau director, Kristie Wetjen (Williamsburg) is running on the Democratic side of the ticket for a position on the fall ballot. She is running unopposed in the primary.

Other interesting races in this area include the Republican primary for the Iowa Legislature, State Represent District 91. That race has John George, Adam Grier, Devon Hodgeman, Sklar Limkemann, Matt McAvreavy and Brad Sherman in contention for the Republican nomination.

Perhaps the most exciting race on the Democratic Party ballot is for the United States Senate. Three candidates are asking to face incumbent Charles Grassley. They are Abby Finkenauer, Michael Franken and Glenn Hurst.

Amana Church Hosts an Ice Cream Social and Open House Sunday, June 5

To kick off the fund drive to restore and renovate the Amana meetinghouse in Amana and the Kinderschule in Middle Amana, the Amana Church is having an ice cream social on June 5 at 4 p.m.

at the Amana meetinghouse in Amana. Everyone is invited.

The meeting house will be open cellar to attic for a walk-through tour and at 4:30 Elders and Amana historians Jon Childers and Peter Hoehle will speak very briefly about the buildings being restored and the project that's now underway. Ice cream will be served.

Last fall the Amana Church Society learned that it was one of 15 churches in the United States selected by the National Fund for Sacred Spaces, a program managed by Partners for Sacred Spaces in collaboration with the National Trust for Historic Preservation. The Amana Church will receive a grant of \$70,000 toward the total project cost of rehabilitating the Amana Church in the village of Amana and the small Kinderschule building east of the Middle Amana Church in Middle Amana.

Sequel Architecture of Des Moines has completed an assessment of both buildings. Plans include construction of a new handicapped ramp at the Amana meetinghouse, improvements to its west entry ways and critical repairs to the windows and siding. Built in 1863 the roof at the church has been replaced and the entire HVAC system has been upgraded, now necessary exterior fixes must be done to keep the building in use. Amana Church's largest worship space, the Amana Church meets here for special worship services, weddings, funerals, fellowship dinners and events. It serves as a home for the Sunday School, youth programs, summer vacation Bible camp open to all area youth, plus the weekly Monday free congregate dining program. The building is used by various nonprofit groups as well.

The wood-frame Kinderschule building (built circa 1866-68) to the east of the Middle Amana Church will receive repairs so that it can become the home of the Amana Colonies Food Pantry. The project will include the installation of electrical wiring and an HVAC system, the repair/ replacement of four wooden window frames and additional building fixes.

The Amana Colonies Food Pantry has outgrown its current location in the basement annex of the Middle Amana Church. By moving it to a larger space with its own entryway and more room for freezers and refrigerators, the free food pantry will be able to provide more fresh and frozen foods to the Iowa County residents it serves. The Kinderschule, built during Amana's communal era as a preschool and day-care, is currently unoccupied.

The Amana Church is seeking to match the \$70,000 grant and to raise money to complete repairs to these two buildings. To make a contribution: mail tax deductible donation to the Amana Church, PO Box 103, Middle Amana, IA 52307. Make payable to the Amana Church and please note the donation is for the Amana Church - Our Sacred Space Fund Drive. To learn more about the project go to Amana Church website at amanachurch.com. or email mchurch@southslope.net.

Feathers from page 1

This morning I awoke to one really bad headache. I've never had a "hangover" but I have a feeling this would feel like one.

Yes, it is a "wonderful time of the year" but let some of us be grateful for air conditioner air/filters and meds.

I wonder if Mary Todd Lincoln (with her headaches) didn't really have allergy issues.
