COD proudly supports the R.S. McLaughlin Durham Regional Cancer Centre (\$46,285 to date) and the Salvation Army/CTV Toy Mountain.

October 2020

PRESIDENT'S REPORT

By Ken Gordon

Happy Fall Everyone!

It's actually a sad time having to consider winter storage for our beloved Corvettes.

Thank God for the Raven's hosting a wonderful day for our last hurrah. Fabulous turnout, presentations, speeches and so much more. Glad to see everyone following Covid protocol to ensure a fun and safe event. Thanks to Jan & Dave.

Some members have been inquiring about Marilyn's health. I wish I had better news right now but her condition is worse than we thought BUT with a few changes in lifestyle this should help with any further damage. Will keep you posted.

To those members who have recently undergone surgery, Marilyn and I are thinking of you and wishing a speedy recovery.

Until we can get together again...

Stay Healthy & Safe!

Ken

Corvettes of Durham was established in 2000. We *usually* meet on the third Wednesday every month at 7:30 pm (except December). During the summer months, we arrange 'offsite meetings' and cruise to different locations. If you have a favourite restaurant suitable for a meeting, please let one of the COD Executive know.

COD Executive:

HAPPY 20TH ANNIVERSARY CORVETTES OF DURHAM

By Jan R. [Photos by Terry Nodwell, Ed Hayward, Don Chalmers & Eddy Schroer.](#)

On September 12, 2020 we woke up to a beautiful day, sun was shining, not too much breeze and it was warm. Thank Heavens! Because, we had 37 Corvettes and 62 club members show up at our house that afternoon!

Terry, Doreen, Peter, Shirley, Ron, Jann, David and I started the day before and set up tables and tents, rearranged anything we could, cooked, wrapped parcels, made signs. You name it – we did it. We really wanted it to be nice because we didn't know when we'd get the chance to get together again.

A few weeks before the party, I contacted all of the officials I could think of to make sure we were following the Province of Ontario guidelines – Durham Health Dept., the Mayor's office, the Police Department and the Fire Department. They were all happy we were outside and had lots of space for social distancing. The Health Dept. loved my idea of a renting a Port-a-Potti because it kept the party outdoors. It also helps when your closest neighbours are horses. They don't complain.

We made sure we recognized our current and past presidents, Ken G. and Ron B. with a 40 oz. bottle of rye. We acknowledged our biggest Corvette Enthusiast, Ron L. (Who else would travel all over North America judging Corvettes?) And we acknowledged Ron T (Wow-we have a lot of "Rons" in this club) and Sue as our National Corvette Museum Master Ambassadors once more. This is a difficult status to obtain when you live north of the border! Dave & I know, we are Founding Members of the National Corvette Museum.

We received several messages of good wishes acknowledging the milestone Corvettes of Durham has achieved – 20 years as a Club as well as Ron & Sue as Master Ambassadors and David's and my 30th Anniversary as NCM Members. Harlan Charles, Chevrolet Detroit, Wil Cooksey Jr., former Bowling Green, Plant Manager, Stephanie Morrill, Director of Operations, Dr. Sean Preston, the Museum's CEO and NCM Board Chair Glenn Johnson all sent us nice messages commenting on our longevity as a Club with some founding members still active. They acknowledged our commitment to the Corvette hobby, our support of the Museum in buying numerous bricks over the years, individual memberships and the Club's business membership. They also noted our support of local charities – Toy Mountain and the Durham Regional Cancer Centre.

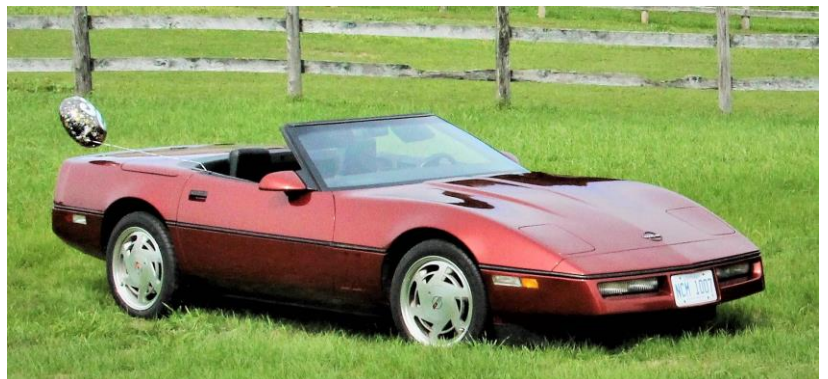

We had draws, and raffles and a 50/50 and I can't thank the girls enough who helped out with these things. We also had lots of food. The kitchen staff, Shirley, Jann, Doreen and Nurse Pat were great as always, even considering we had an extra 18 members show up that we weren't expecting.

And one more "thank you". A member, who wishes to remain anonymous, gave me a \$100 donation toward the cost of the party. Thank you Anonymous Member. It was really appreciated!

Happy 20th Anniversary Corvettes of Durham, you are truly a wonderful club!

Jan & David have owned this C4 Vette since they first became members of the National Corvette Museum. Still in great condition with thousands of miles (and more kilometers) of great trips and memories! >>>>

OCTOBER 2020

ROAD ATLANTA: Corvette is the hottest team in the WeatherTech series right now with a four-race win streak going into the Sept. 4-6 Road Atlanta race. They started second and third in class and, as always, relied on execution and minimizing mistakes while capitalizing on those of others. Corvette Racing has won 10 times at Road Atlanta and this weekend, Oliver Gavin and Tommy Milner in the No. 4 Corvette completed a stellar comeback to finish as class runner-up, from nearly a lap down in the six-hour endurance race. This advanced them to second place in the GTLM Drivers' Championship standings.

Antonio Garcia and Jordan Taylor finished fifth in the No. 3 Corvette to retain their lead in the Drivers' Championship.

At **MID-OHIO** the ongoing fight between BMW and Corvette continued over the Sept. 26/27 weekend. Porsche had cancelled out due to Covid striking down their drivers at Le Mans the weekend prior. Jordan and Antonio in the No. 3 managed to make it five wins here, dominating the race from flag to flag. Oliver Gavin and Tommy Milner placed second in the No. 4 Corvette C8.R to remain second in GTLM points. The result extended Chevrolet's advantage in the class Manufacturers standings. Full details available at www.corvetteracing.com. Next race Oct. 9/10 at the Charlotte Roval.

COD Election for Executive Positions 2020

In accordance with our Constitution and By-Laws, elections for Executive positions are due at the Annual General Meeting in October 2020. Due to the challenges of Covid-19, it's difficult to have a General Meeting and administer the elections in the same manner as in previous years. Therefore, the following procedure was established by the Executive Committee during our meeting on August 24, 2020.

Roxanne Chiusolo, currently Executive Secretary, is not running for any elected position. Roxanne will co-ordinate and oversee the election process with assistance from Executive Committee Members Susanne Ralph and Sue Woodland.

Positions eligible for election:

- President
- Vice-President
- Secretary
- Treasurer
- C.C.C.C. Governor

Nominations:

- Candidates must be a COD member for a minimum of 2 years
- Any COD member may submit a nomination; however, the candidate must agree to the nomination prior to the submission.
- Nominations to include:
 - candidate's name
 - the position they are being nominated for
 - a short bio outlining the candidate's skill set for the position
 - and confirmation that the candidate has agreed to the nomination
- All nominations to be emailed to Roxanne Chiusolo at roxanne.kowal@gmail.com no later than midnight **Tuesday, September 29th, 2020**. The email subject line to read **COD Executive Nomination 2020**.
- Roxanne Chiusolo will distribute an email no later than Thursday, October 1st, 2020 listing all nominated candidates and their bios. This will provide members with the opportunity to review the candidates' information prior to voting day.

Voting:

- Voting will be done via written ballot.
- Each COD member has the right to one vote.
- Only those in attendance will be eligible to vote, with one exception; a proxy form is available (attached) for same membership partners who are unable to attend. If required, please print and complete. One member from the same membership must attend and bring the completed proxy form.
- Voting date will be **Wednesday, October 14th, 2020 from 6:00 pm to 7:30 pm**. No ballots will be accepted after 7:30 pm.
- The voting will take place near our General Meeting location, Sabina's Casual Dining & Pub, 1755 Pickering Parkway, Pickering. A drive-thru location will be set up in the south parking lot closest to the 401. Look for the tables and parked Corvettes. Canopies will be set up if the weather is inclement. Roxanne Chiusolo, Susanne Ralph, and Sue Woodland will be at this location administering the process.

As always, Sabina's will be available for anyone wishing to order dinner, however, the boardroom will not be available. Members are encouraged to vote upon arrival then socialize afterwards if they choose to do so.

Ballots will be counted by Roxanne Chiusolo, Susanne Ralph and Sue Woodland immediately after the 7:30 pm deadline. The successful candidates will be announced in an email the following day (October 15th).

If you have any questions, contact Roxanne Chiusolo via email at roxanne.kowal@gmail.com or cell phone at 905-767-3312.

One member from the same membership must bring the completed proxy form to be eligible to vote for their same membership partner.

Corvettes of Durham – 2020 Elections

Meet Your Candidates...

Ken Gordon
Candidate for President

I have always been a car enthusiast, driving all kinds of muscle cars. When I was surprise gifted with the 82 Corvette on Father's Day, I drove to my first DreamVettes show. Joined Corvettes of Durham that very day (Sunday June 17th, 2004).

A few years later I was asked to consider being Vice President which led to eventually President and here we are today. I am a people person and very passionate about this Club.

I will do everything in my power to get the Club back to the good old days (pre-Covid). We are going to have to exercise caution in doing so. It doesn't sound like Covid is going away anytime soon. Events that we plan will have to be thought through with everyone's safety a major priority.

2020 has been the worst year ever. Cheers to 2021!

Ken

Ed Schroer
Candidate for President

I have been a member of Corvettes of Durham since February 2018. During this time, I have been an active member of The National Corvette Museum as well. Last year I participated in the Ron Fellows Training School at Spring Mountain for the Level One Training course with fellow members.

I started my Corvette interests many years ago, but officially came on board when I bought my first Corvette in June 2017 which was a 2008 C6 Limited Hertz Edition which I traded in December 2018 for my new 2019 C7 Stingray. My many interests include cruising, taking long-distance trips with fellow members, socializing and volunteering to assist in many of the clubs functions to date.

Prior to my retirement I worked for the Toronto District School Board for over 32 years. In that time, I quickly was promoted to having my own school and responsible for my own staff for 22 years. In 2002, I was promoted again and spent the last 10 years of my career in management assisting two Team Leaders overseeing the caretaking staff of 45 schools. In this position my role required me to manage over 200 caretaking staff. I was expected to staff schools each and every day, delegate various job responsibilities, troubleshoot any problems that would arise, organize and lead workshop training sessions for TDSB employees and work side-by-side with my team leaders, to share in the smooth operation of each school on a daily basis.

My communications skills developed over the years being involved with superintendents, trustees, principals and caretaking staff dealing with their concerns to solve various issues. I have a Human Resource Management Certificate in management. Some of my overall strengths include communication, leadership, being a team player, showing integrity and having solid organizational skills. I value being an approachable, trustworthy and respectful person.

My goal as President would be to use my many skills and knowledge that I have acquired over the years, to help our Corvette club grow and move in a new direction...TOGETHER. Thanks, Eddy

Meet Your Candidates cont...

Ron Langlois

Candidate for Vice-President

I am a founding member of Corvettes of Durham and have served on the Executive in a variety of positions since COD's inception. I also serve on the Executive Council for Quad C as the National Corvette Restorers Society (NCRS) Representative and served 10 years as former Governor for COD. I am currently a 400 Level Judge for NCRS and judge Corvettes all across North America. I have been a continuous member of COD for 20 years and am also a member of the National Corvette Museum. I have a tremendous amount of experience in Corvette Clubs at all levels. I

understand the interest and the passion Corvette Club members have for their Vettes regardless of the year or model. I am knowledgeable in the requirements and expectations members have in belonging to an organized Corvette Club. As an elected official of Corvettes of Durham, I will not only share my expertise with the general membership but participate in all aspects of the Corvette Community to enhance the enjoyment of owning their Corvette. I am running for the office of Vice President and would appreciate your vote.

Ron Langlois

Ron Tremblay

Candidate for Vice President

I have been a member of Corvettes of Durham for approximately 12 years, serving as Vice President for the last two years. I also serve the Club as Co-Ambassador to the National Corvette Museum, where I have been a Lifetime Member for 16 years and a volunteer during our twice-yearly attendance at Museum events.

My interest in all things Corvette is well known: the car itself, the friends made, racing, cruising, and long-distance trips. I currently own two Corvettes (C6, C7) and have owned a C3, C4 and C5 in the past. As a fan of Corvette Racing, I have volunteered in Corvette Corals in the U.S. and Canada and worked in the pits during races at various racetracks in North America.

Prior to retirement, I was employed in municipal government for 33 years, retiring as Director of Municipal Law Enforcement and Building Services. In that position I was responsible for the staffing of each division as well as Operational Budgets and Revenue Budgets. I hold a Master Certificate in Municipal Management from York University through the Schulich program and was certified by the Provincial Government as a Chief Building Official in the Province of Ontario.

I wish to continue to serve Corvettes of Durham, using my business skills and Corvette knowledge for the Club's growth and expansion.

Ron Tremblay

Meet Your Candidates cont...

Linda Bunn

Candidate for Secretary - Acclaimed

It is an honour to accept the nomination of Secretary on the Corvettes of Durham Executive. Having been a member for the past five years I would like to offer my expertise in this area to support the Club and its members.

After almost 34 years with the Toronto District School Board, prior to my retirement as Supervisor of the Information Technology Service Desk, I had seven years' experience as the Secretary of the TDSB's Professional Management Support Staff association. In addition, I was a member of the Executive of the Canadian Celiac Association Toronto Chapter. Both positions have given me a full understanding of the workings of an Executive team and the responsibilities of the Secretary position and I feel confident that my experience and knowledge will allow me to effectively assume this position.

I look forward to the opportunity to take on the position of Secretary, to work with the Executive and to contribute to the future growth of the Club in the coming years.

Thank you.

Linda LINDACBUNN@GMAIL.COM

Anne Halverson

Candidate for Treasurer - Acclaimed

I graduated from U of T with a history major and have a solid background in accounting.

I worked for the Ministry of Natural Resources as a manager with 35 staff. During those years I went back to school and graduated with an Executive Masters in Electronic Commerce. I have a proven track record as a strategic leader in various aspects of Information Management.

In terms of Board experience, I held the positions of Treasurer and Chair of the Board of Directors for two daycare centres for many, many years. I produced the COD Newsletter each month from January 2015 until December 2017. Then in January 2018 I became the Treasurer for the club. I would like to continue in this position because I enjoy participating on the COD Board and feel I can add value to the club and its Executive.

Thank you for your consideration.

Anne

Meet Your Candidates cont...

Brian Strierner

Candidate for Quad-C Governor - Acclaimed

I have been a member of Corvettes of Durham since 2017 and I have been the Quad C Governor for COD for the least two years. I write an article regarding its news on a regular basis, as well I contribute to Fast Past, the semi-annual Quad C newsletter.

I have been a passionate lover of Corvettes for as long as I can remember. So far, I have had a C4, C6 and C7 models and an exciting part of being member is seeing all the different Corvettes.

I take part in as many activities and cruises as possible, including Motorama, Wasaga; Burleigh Falls, Montrose Inn, Woodlawn Inn, Elmhirst and many more. Each outing is a chance to get to know new and (not old but existing) members.

When (at long last!) I got my first Corvette, I looked at several Corvette Clubs and COD was the winner by a long shot. It is my plan to qualify as a Judge to learn and take part in even more Corvette events.

I appreciate the opportunity to be nominated for the position of Governor.

Brian Strierner

2nd Annual Corvette Diva Day

What a gorgeous day for a cruise! The Diva Ladies drive to Prince Edward County had been rescheduled from a date in the spring due to Covid. Ladies with their Corvettes, wearing their Diva T-shirts. I'm sure we were quite a sight.

The first stop for the day was at Birdy's Restaurant in Belleville for lunch. A large tent had been set up outside at the back of the restaurant where we had lunch and a draw for many, many prizes! We were able to park all of the Corvettes on the grass near the tent. Birdy's is the same restaurant where the Corvette Divas had met last year for lunch. Many of the ladies from Corvettes of Durham had joined the fun last year in May 2019, but this year, the Corvette Divas Day conflicted with the COD 20th Anniversary party at the Ravens.

Corvette Diva T-shirts were ordered for the special occasion and were proudly worn by the ladies.

After lunch we cruised to the village of Bloomfield, which is located in the centre of Prince Edward County. There are many artisan and craft shops, antique shops and shops specifically for diva ladies, so it was great shopping.

The final stop was for wine tasting at Huff Estates. Our group had reservations for a guided tasting through a wide selection of wines. I must confess that I purchased several bottles of wine to enjoy and to bring back memories of the fun Corvette Diva Day!

Here are three 2020 **Corvette Hall of Fame** Inductees. Their full bios are available by clicking the link given with each name below.

Due to the Covid-19 pandemic, the formal Induction Banquet has been postponed until 2021 and will take place during the Michelin Bash in April.

When you look back on any pivotal moment in history, you can usually identify one key person who played a critical role in making it happen. This is true with the history of Corvette racing as well. It took a man with the resources of Briggs Cunningham to get that first win at Le Mans; it took someone with the swagger and fearlessness of Tommy Morrison to break the 24 Hour World Speed Endurance Record; and it took Doug Fehan to put together a factory team that would become the most successful road racing program in history. Sure, they all had help, but you cannot tell the story of any of those achievements without mentioning those key people. More at <https://www.corvettemuseum.org/doug-fehan/>

Just for a moment, imagine your life without the National Corvette Museum. What if there was never a Bash event for you to go to or an Anniversary event to be a part of? What if there was no Corvette Caravan, no Museum in Motion events, no Corvette Museum Deliveries and no eNews from us in your in box once a week? What if there was no track, no library and archives or exhibit space to connect our history to the next generation of enthusiasts? What friends did you meet here that you might not have ever known? What memories would you have never made? What would you be reading now, instead of this? You've just imagined a world without Wendell K. Strode. More at <https://www.corvettemuseum.org/wendell-strode/>

Key to the success of Corvette has always been this trinity of forces between GM, racing and the enthusiast. It is interesting to note that when there wasn't a factory racing effort, enthusiasts stepped up to fill that gap with privateer teams. When performance suffered due to government mandated regulations, enthusiasts kept buying Corvettes as Chevrolet worked to overcome those obstacles. When GM was in trouble back in 2009, the Corvette Race team continued to race, reminding everyone that we all had something worth fighting for. Today, it is that customer interaction, tech transfer from the race team, and a commitment from GM to the car and customer, that has led us to the most revolutionary, advanced Corvette ever, the 2020 Stingray Corvette. In short, it took all of us to get here. More at <https://www.corvettemuseum.org/mike-mccagh/>

The Bowling Green Corvette Assembly Plant remains CLOSED to the public until further notice.

20th Anniversary Event

The Covid-19 pandemic closed the Canada-US border to unnecessary travel but thankfully the Museum offered two days of virtual seminars. We spent those two days watching online and hearing about:

- **Michelin Tire** team tire development: tire tech transfer from the race car to the street car; C8 dynamics, weight close to centre & rear, car balance more neutral, tire Fitment Guide online at www.Michelinman.com; Michelin all season tire (PS All Season 24) now available;
- **Mobil 1** tech talk and Q & A: discussion of proper oil to use in various Corvette models/years; if/when to change oil with limited mileage; OW40 European formula vs North American formula;
- **Assembly Plant** update from Plant Manager Kai Spande (*sorry, no plant tours just yet!*): build restrictions (e.g. certain convertible parts take more time, therefore coupe and convertibles are not built back-to-back); Plant doesn't build in colour batches; explanation of supply capacity; discussion of quality hold/checks; 1.75 millionth Vette produced in August, being raffled this weekend. Two new exterior colours for 2021 were shown (Silver Flare Metallic replaced Blade Silver; and Red Mist Tint Cost replaces Long Beach Red).
- **Hall of Fame** Inductees participated in a Q&A;
- **Corvette Production Team** offered a detailed slide presentation and spoke about what's new for 2021.

It was a lot of sitting and listening, but extremely interesting. At this time only two Anniversary weekend seminars are available to view. Just click the links below:

- **Corvette Team presentation:** https://www.youtube.com/watch?v=cIWG_tE3OH8
- **Assembly Plant Update:** https://www.youtube.com/watch?v=N_pzjlgKV8g

AMBASSADOR QUESTIONNAIRE

In order to keep our articles interesting and relevant, we are asking COD members for your help to refresh our Ambassador pages in the COD newsletter. Tell us what you want to read about! Perhaps activities in and around Bowling Green? (Historical walks, Triple A baseball games, fine dining, public gardens); area winery or distillery tours? Interviews with key Museum staff and/or Board members?

We will continue to provide Corvette-related items: Corvette Racing, Museum events, displays & educational articles, as well as GM & Corvette news closer to home.

Please tell us what Corvette items you want to read on these pages...get in touch (*by email is easiest*) and we'll follow your lead!

Ron & Sue

p.s. we're proud to show you the NCM certificate awarding us Master Ambassador Status once again. Two pages over >>>>

CCCC-ER NEWS

Good news! CCCC Eastern Region has a new member club! The *Corvette Club of Nova Scotia* joined CCCC-ER in July; they have 113 members, spread throughout the province. They will often meet in smaller groups from a particular area, rather than the whole club have to travel to one location.

Welcome CCNS to Quad C-Eastern Region!

In other CCCC-ER news, it's expected that we will have a fall Fast Pass edition to distribute to our members. Stay tuned!

Brian Striemer
Governor

BITS & PIECES:

Have you ever wondered how the Corvette Racing symbol, known as Jake, came into being? Here's the answer:

<https://jalopnik.com/the-history-of-jake-corvette-racings-mascot-5249746>

Corvette C8.R Coming To iRacing This Month

The Corvette C8.R is now in three major racing titles.

How long does it take an elephant to eat a tire?

A Good Year

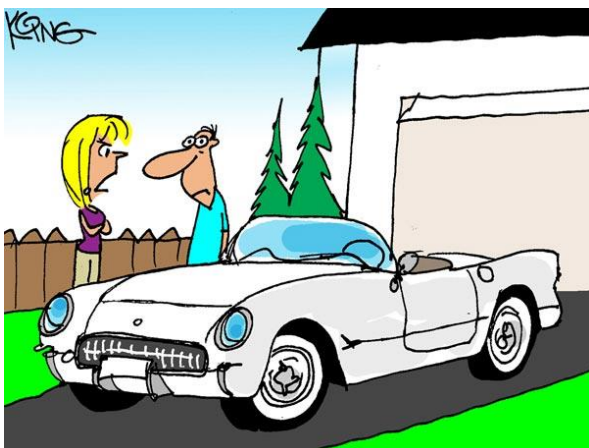

If you're having a bad day remember that these 2 guys unloaded six thousand bricks at the wrong address

DORMITORY:

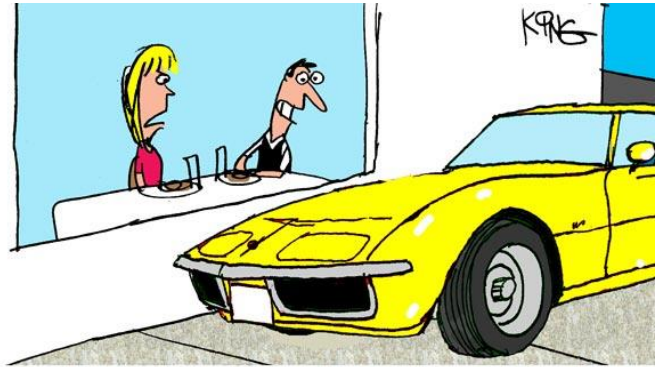

When you rearrange the letters -

DIRTY ROOM

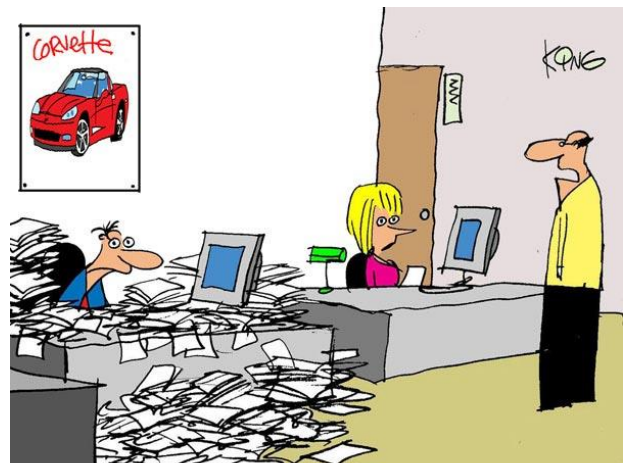

"I realize you love driving your Corvette, but quit driving it to the end of the driveway to check the mail!"

With thanks to Chuck & Linda Bunn, CorvetteBlogger.com and Jerry King

"We've been here over an hour and you haven't taken a single bite of your meal. Never park your car where we you can see it again."

"It's come to my attention that one of you has gotten behind on their work due to looking at corvettes all day on the Internet."

A DECIMAL POINT:

When you rearrange the letters -

I'M A DOT IN PLACE

How did the hamburger introduce his girlfriend?

Meet Patty.

2020 Events Calendar

DATE	EVENT	CONTACT	LOCATION	TIME
Wednesday Oct 14	VOTING DAY	Roxanne Chiusolo	South parking lot at Sabina's Casual Dining	6:00 pm – 7:30 pm
Sunday Dec 6	COD Christmas Cocktail Party	Jan Raven	Shriner's Banquet Hall	TBA

GREEN – CCCC Event

BLACK – COD Event

RED – General Information

Best wishes go out to **David Raven** following a short hospital stay. Hope to see you back on your feet very soon.

Congrats to **Roy & Rosanne** on their recent purchase of a new home in Durham Region. All the best from COD for many happy years in your new surroundings!

Marilyn Gordon (aka Blondie) is under the weather. Resting at home, Marilyn awaits test results and a diagnosis. Feel better soon, Blondie!

Also under the weather is **Ron Bolter**. Ron is in hospital recovering from surgery and we all wish him a speedy and full recovery!

They don't write songs about Volvos.
