

### Verona Soccer Club Scholarship Policy and Guidelines

Part of the mission of the Verona Area Soccer Club is to provide financial assistance for players in need. To that end, we have scholarships available for players who can't afford to pay some or all of the club fees and uniform costs.

An application for scholarship assistance is a certification that the player will not be able to participate in the program without at least some financial assistance. Financial assistance is limited to the cost associated with player tryout, registration and uniform. Any other fees associated with the team is the responsibility of the parent/guardian. In general, Verona Soccer being a non-profit will try to help when we can, however we have very limited resources.

The main criteria for receiving a scholarship is documented participation in the Free and Reduced Lunch program used in many public schools. If you qualify for this program, fill out an application and submit documentation of said program and Verona will consider your child for a scholarship as described above. Each family is expected to work with Verona Soccer Club staff to establish terms of what they can pay and when those payments will be made. It's important to note that scholarship are meant to help those in need, but are a two way relationship.

Verona Soccer Club will consider other situational requests. These request will be review by the club on a case by case bases. If you don't qualify for free and reduced lunch and you still need to submit an application, please provide information and documentation on your situation. We will review this information with the sensitivity it deserves and attempt to use our best judgement in helping those truly in need.
