ANNOUNCEMENTS

- Our last luncheon meeting of this year is next week at the Legacy Resort Hotel. Come join us for Thanksgiving luncheon meal as we listen to speakers Summer Stephan and Tia Quick.
- Our annual Christmas Party is scheduled for Tuesday, December 14th. Details will be forthcoming!
- We will be collecting Christmas donations for Military Outreach Ministries. *See page 5.* We will also be sending this info via email in the near future.

RWCSD 2ND BIENNIAL CONVENTION AND FUNDRAISER

Plan on joining us for a full day and evening as the Republican Women of California – San Diego County hosts our 2nd Biennial Convention with Speaker Harmeet Dhillon and celebrates later with an evening fundraiser featuring speaker Jason Chaffetz. Both of these speakers are well-knowns to most of us through their regular appearances on Fox News as powerful conservative voices for our party,

The most fundamental fact about the ideas of the political left is that they do not work. Therefore we should not be surprised to find the left concentrated in institutions where ideas do not have to work in order to survive.

PRESIDENT'S MESSAGE —Waskah Whelan

After 83 years, DC Comics has ditched Superman's motto, *Fighting for Truth, Justice and the American Way!*

Well, now they've done it!
Cancelling Superman!

Calling for a Better Tomorrow...instead of Fighting for Truth, Justice and the American Way!

Can't you just see little kids with their pretend capes and clinched fists flying around yelling...I'm fighting for a better tomorrow. I doubt they even know what that means.

Remember, Superman was also *Faster than a speeding bullet!* More powerful than a locomotive! Able to leap tall buildings in a single bound!

So what's next? What has cancel culture planned for the new Woke Superman?

Politically-Correct-Sensitive Superman will emerge from his basement; skip over puddles in a single jump while texting *world peace is so much more important than stopping crime*. This new tolerant Superman will simply look the other way when mischief is afoot.

If we are to save brave, wonderful America...we will need to get very busy in 2022 electing candidates that still believe in the brave America, the great America.

Project Veritas says...*Be Brave-Do Something!* Original Superman did plenty...

Social Justice Superman, not so much...he spends his days thinking about tomorrow and ways to pass the Green New Deal instead of fighting crime and protecting truth, justice and the American Way!

WAYS AND MEANS—Diane Randolph

First of all, I'd like to thank you all for making our fashion show a success and I'm sure Saved in America will be pleased and will put our donation to good use. If you have suggestions on how to make our show even better next year or a charity that you would like us to consider please drop me a line.

As you know because of the more than generous donations and the number of opportunity baskets we moved our holiday road show to our November meeting. We will have tables of holiday items on display and you will be able to bid (silent auction) on the treasures that are donated by club members! So please bring your excellent condition, just like new holiday items to the meeting. I will also be sending out in a separate email the road show bid form for you to print, fill out and bring with your items.

CHAPLAIN—Ginny Wisley

*“And now we thank you, our God, and praise your glorious name.”
I Chronicles 29:13*

November? Say what? Where did January through October go? We are into autumn. We are also into the time of Thanksgiving. The time where we start the holidays, the time of blessings.

When we gather around our various tables this year, with our families to indulge in our bounties, let us try to remember that although we may have differences in values, faiths, politics, ideas, we are all still humans with emotions, feelings, and love.

Reach across the table with smiles and caring. Check hate, discourse, and adversity at the front door and remember that we were told last year we couldn't be together at all. Be thankful for what we have now. God is good.

Blessings!

CHRISTMAS PARTY DONATIONS!

As in previous years, our Club will be supporting Military Outreach Ministries, also known as MOMs. We are the largest Christmas contributor to this group! This organization supports families in the San Diego County area that are E-5 and below ONLY, the ones that really need our help. Please, if you are able, bring to the party, new, unwrapped gift items that would benefit these families and children. In the past we have supplied toys, small appliances, bedding, clothing (all sizes), books, everything that the lower pay scale military cannot afford, including gift cards and wrapping paper.

If you are unable to attend our Club's party on the 14th December, and would like to contribute, I will be honored to take your donations early.

The generosity is what is on your heart, with no pressure intended.

Any questions, please call me: Ginny Wisley 1.619.337.6444
