

Lamb Show Feeds Quick Reference Guide

Helping our exhibitors gain the competitive edge through superior feed technology.

Winners are bred . . . Champions are fed.SM

MoorMan's ShowTec Lamb Creep DC 11153AE (cold pellet)

Designed to meet the exceptional needs of growing and blooming young, show lambs

Nutritionally balanced to creep genetically superior show lambs.

- 20% crude protein, 5% fat, 12% fiber
 - Patented cold pelleting feed technology helps capture freshness and nutritional value
 - Multiple, high-quality protein sources enable optimal, efficient gain
 - Contains CitriStim[®], PremiDex[™], Prospanse[®] yeast, and direct fed microbial
 - Provides the correct amounts and ratios of major and trace minerals including molybdenum and complexed zinc along with vitamins A, D, E, and B-complex
 - No added copper
 - Highly palatable with optimal levels of lactose for better growth
 - Medicated with decoquinatate (Deccox^{®*}) at 6.8 mg/lb
 - 1/8" mini-pellet for more efficient feeding
- ShowTec Lamb Creep DC must be fed at the rate of 0.033 lb per lb of body weight (3.3 lb per 100 lb of body weight) to young lambs from 7 days of age until weaning.

MoorMan's ShowTec 15.5 Lamb DC 11157AM

A nutritionally balanced base ration for wethers and ewes being fitted for show

When fed in conjunction with #1 Mineral Supplement, this texturized ration will assure peak growth performance of young, show lambs.

- 15.5% crude protein, 3% fat, 10% fiber
- Highly palatable with optimal levels of multiple protein sources that assures proper growth in show lambs
- Contains CitriStim, Prospanse yeast, and direct fed microbial
- Provides the correct amounts and ratios of major and trace minerals along with vitamins A, D, E, and B-complex
- Contains ammonium chloride
- No added copper
- Medicated with decoquinatate (Deccox) at 7.56 mg/lb
- Premium texturized quality for more efficient feeding

Feed 15.5 Lamb DC at the rate of 3 lb per 100 lb of body weight daily. For example, feed:

- 2.25 lb for 75-lb lamb
- 3 lb for 100-lb lamb
- 3.75 lb for 125-lb lamb
- 4.5 lb for 150-lb lamb

MoorMan's ShowTec 18 Elite Lamb 11317AM (BT) 80939MPS (DC)

A nutritionally balanced base ration for wethers and ewes being fitted for show to assure peak growth performance of young, show lambs

- 18% crude protein, 2.5% fat, 4.5% fiber (no. 11317AM provides 2.7% fat)
- Highly palatable with optimal levels of multiple protein sources that deliver optimal, efficient growth in show lambs
- Contains CitriStim, direct fed microbial, and added molybdenum
- Provides the correct amounts and ratios of major and trace minerals along with vitamins A, D, and E
- Contains ammonium chloride
- No added copper
- Available with:
 - lasalocid (Bovatec^{®*}) 15 mg/lb
 - decoquinatate (Deccox) 7.56 mg/lb
- Premium texturized quality for more efficient feeding

Feeding rate for BT 11317AM:

Feed lambs 1 to 4 2/3 lb/head/day, depending on body weight. Two parts 18 Elite Lamb BT may be mixed with one part other feeds (grain and/or roughage) and the mixed ration fed at 1 1/2 to 7 lb/head/day.

Feeding rate for DC 80939MPS:

Feed at the rate of 3 lb per 100 lb of body weight daily. For example, feed:

- 2.25 lb for 75-lb lamb
- 3 lb for 100-lb lamb
- 3.75 lb for 125-lb lamb
- 4.5 lb for 150-lb lamb

#1 Mineral Supplement 11159AA

A protein fortified mineral supplement for all show ruminant livestock

- 25% crude protein, 1.5% fat
- Properly fortified with Prospanse yeast, vitamins, minerals, and multiple sources of protein for optimal growth
- Non-medicated; processed meal form in 50-lb bag

Top-dress rations for lambs with #1 Mineral Supplement at a rate of 2 oz per 100-lb body weight/head/day with a minimum consumption of 2 oz/head/day.

Fast Fat 11156AE

A conditioning supplement

Fast Fat can be fed during any phase of the feeding period to achieve desired body condition by putting a smooth finish on livestock and supplying energy

- 10% crude protein, 5% fat
- Properly fortified with vitamins and minerals for optimal finish and condition
- Top-dress rations for thin or stressed livestock with Fast Fat at a rate of 8-16 oz per 100-lb body weight per head daily
- Non-medicated; mini-pellet form in 50-lb bag

Refer to product labels for complete feeding directions and warning/caution statements.

Natural Fit™ 81526AAAE6

Natural Fit is a high-protein, non-medicated supplement designed to be used with MoorMan's ShowTec complete show lamb feeds **to give more muscle and dimension and shape especially over the top.**

- 40% crude protein, 3.5% fat, 14% fiber
- Provides CitriStim, RumeNext®-Beef, direct fed microbial, complexed trace minerals, vitamins (including natural-source vitamin E), and special flavors
- Feed 4-8 oz/head/day to show lambs weighing over 70-lb body weight
- Mini-pellet form in 25-lb bag

Fast Fuel™ 11850AAAE6

Accelerating Power to WinSM

Unique, non-medicated, top-dress supplement containing nutrients believed to be beneficial to performance of exhibition livestock. **Fast Fuel gives Exhibition Livestock the "Finishing Touch" for a Championship finish.**

- Provides octacosanol from wheat germ
- Contains stabilized rice bran
- Provides natural-source vitamin E, Prospense yeast, methionine, cobalt glucoheptonate, vitamin B12, and thiamine
- Top-dress 4 oz/head/day for show lambs
- Mini-pellet form in 25-lb bag

RumaFill™ 81080AAAE4

A high-fiber (25% fiber) supplement

- Formulated to provide roughage ingredients, such as beet pulp, to create a "full look" and enhance expression
- Use for holding situations when the show lamb's "full look" and "capacity" needs to be maintained on restricted intake of complete show feed or complete grain mix
- Feed 0.5-2 lb/head/day for show lambs weighing 70 lb or more
- Mini-pellet form in 50-lb bag

FIRE EXTINGUISHER™ R 81480AAAE4

A unique top-dress supplement designed to help overcome the negative effects of heat stress

- Contains Thermal Care™ R, a patent-pending technology that utilizes specially selected, research tested compounds
- Contains CitriStim which research has shown assists in maintaining a healthy, functioning gastrointestinal tract
- Feed 1.5 oz/50-lb body weight to show lambs when heat stress may be a challenge
- Mini-pellet form in 50-lb bag

MoorFlex™ 12298AAA

For more flexibility in motion

- Unique, one-of-a-kind, top-dress supplement
- Contains an ingredient approved for livestock feed that provides a source of natural substances recognized to influence joint health
- Supplies Cell Rate®, a source of nucleotides that may help fuel natural metabolic processes involved in stress, immunity, and production; provides vitamins and complexed zinc
- Top-dress 2-4 oz/head/day for show lambs
- Meal form in 3.75-lb (60-oz) pouch (12298AAA5E) or 18-lb pail (12298AAAJN)

EatMoor™ No. 12346AAA

- Unique, one-of-a-kind, top-dress supplement that stimulates appetite, optimizes gut health, and gives animals the edge needed to resist the effects of stress
- Supplies Cell Rate, CitriStim, PremiDex™, Amaferm®, PrimaLac® and other beneficial ingredients
- Top-dress 2-4 oz/head/day for show lambs
- Meal form in 3.75-lb (60-oz) pouch (12346AAA5E), 12-lb pail (12346AAAPF), and 20-kg (44.1-lb) bag (12346AAAAG)

Alliance 3-D™ 12079AAA

- Top-dress supplement helps produce a smooth, well-defined body condition
- Provides soybean oil, flaxseed oil, and wheat germ oil along with vitamin E
- Contains an antioxidant to help maintain product stability and protect nutrients
- Top-dress 1 oz/100 lb body weight daily
- Liquid in one-gal (12079AAA74) or five-gal (12079AAA7J) containers

MoorFat™ 235

- Energy supplement comprised of animal fat encapsulated in a milk protein carrier
- Enhances condition and performance; helps produce smooth, well-defined body condition
- Top-dress 2-4 oz/head/day
- Powder in 20-lb pail (235AAA77) and 50-lb bag (235AA)

Rehydrate™ No. 88820AAA5Q

- Unique, one-of-a-kind, energy and electrolyte top-dress supplement
- Also provides Cell Rate, PremiDex, and other beneficial nutrients
- Feed as a top-dress or mix with water for a drench; 6 oz/head/day (2 scoops) for show lambs
- Powder form in 2.25-lb canister

Cellarator® Turbo

- 3-in-1 fast acting, oral paste that combines the power of Cell Rate with probiotics, electrolytes, and vitamin E
- Helps support performance, deters dehydration, and helps lessen the effects of stress
- 80 cc tube (8279005U) and 300 cc tube (8330005X)
