**2019 Walk to End Alzheimer's - New Haven, CT**  
09/29/19

The Walk to End Alzheimer's is the world's largest event to raise awareness and funds for Alzheimer's care, support and research. The success of the Walk to End Alzheimer's relies on teams of friends, family, co-workers and neighbors. Every person we recruit and every dollar we raise increases awareness and helps the Alzheimer's Association take care of families affected by this disease. North Haven Sons and Daughters of Italy Lodge #2805 has had a team participate in the Walk at Lighthouse Park in New Haven every year since 2010 and we're planning on walking again on Sunday, 9-29-19, our 10th year. Your support helps us ensure a continuation of programs and services for families whose lives have been touched by Alzheimer's Disease and other forms of dementia. The Walk provides funds to help the Association advance research toward methods of treatment, prevention and, one day, a cure. In an aggressive pursuit of its vision of a world without Alzheimer's, the Association made its largest-ever research investment in 2018, granting more than \$30 million to 131 scientific investigations. This would not have been possible without the commitment and dedication of Walk participants and donors. The dollars that are donated to the CT Chapter help fund programs in CT so family and friends that we know will directly benefit from your donations. The Walk is the Alzheimer's Association's signature event and is absolutely critical to fulfilling their mission of creating a world without Alzheimer's Disease. You can help by joining our team as a walker and getting donations. All Lodge members and their family and friends are welcome to join our team. If you have any questions, you can contact Theresa Marino, your Team Captain, at 203-815-4992 or Visit our website to View our Team Information, To Join our, Team and or to Make a donation!!!
