GOLF-TORONTO ATSSA-Sept. 13th

Fantastic weather, about 22 deg C, overcast with a near steady breeze. Once again, our annual golf outing on September 13th, held again at Eagle Ridge Club in Georgetown, was enjoyed by all; good food, good weather and a nice turnout. Our supporters and sponsors throughout the year were well represented for which we are most appreciative.

Fund raising: There were lots of prizes, ticket draws & contests (Proceeds directed to mixed causes including 'Toys-for-Tots', Food Bank & our ATSSA MAP (Modified Apprenticeship Program) Scholarship Fund.

Participating Suppliers: We are much obliged to our suppliers for their continuing support without whose assistance such events would not be possible.

(WORTH REPEATING)

VIABILITY MATTERS

The poor turn out for our General Meeting on June 14th signals a disappointing & unsustainable trend. We, the ATSSA membership, really have to be taking a good hard look at ourselves. We need to reevaluate what our aims & objectives & expectations should be in order to survive as a viable, & influential industry recognized & supported networking entity. We-our members-need to design a viable organization wherein we-our members-look forward to participating wholeheartedly; & wherein our industry colleagues find it so rewarding as to want to bid to utilize our meeting platform to up-date & to promote.

Each & every member is requested to give this matter careful consideration & then contact & provide your comments to:

President Mark Halliday at mhalliday@rogers.com;...416-550-7933 &/or

Vice President Ed Roeder at droeder@sympatico.ca;...647-462-7336.

This is a critical moment in time for our ATSSA so please give this matter all due diligence.

PARTICIPATION is vital for the well-being of our ATSSA!
