A MESSAGE FROM WALK #114 Lay DIRECTOR

Dear Emmaus Community, Friends in Christ:

How can I tell you what being the Lay Director of Walk 114 means to me? It might be almost like trying to explain Emmaus to a person who has never been. I am so excited and overwhelmed by the Love of God and all my Christian friends. I have been completely surrounded by His Presence and His Love. I have even felt at times that I could reach out and touch Him. He has been with me every step of the way.

We first heard about the Walk to Emmaus when Walt and I were talking to sweet-spirited Jewel Weldon while on a mission trip to "Russia with God's Love". She had an application for us as soon as we got home. It has been many years since I went on CAEW# 12 at Camp Chandler. The Spirit of Emmaus is His Spirit and it never leaves us. We just keep wanting to give Jesus to someone else. No matter how many times I have worked an Emmaus Walk, I have felt a part of His Will. Like Rev. Jim Dannelly, our Community Spiritual Director awhile back, said, the Emmaus Walk is an instrument of God's to bring more workers into the harvest fields. I personally have always had a love for evangelism and this to me is the ultimate in evangelism and bringing others closer to Him.

I know that God will again reach out and touch the hearts of the pilgrims as we faithfully follow the Plan of the Upper Room. I am all for the Plan as I was a statistician for years and it was the balance in verse 15 from Romans 5 that says, just as one man, Adam, brought sin into the world, so one man, Jesus Christ brought salvation. You see it was the balance of the equation that appealed to me so many years ago. I later realized it was more than a balance on Jesus' side of the equation because He brings us not only salvation, but also eternal life and the Holy Spirit. But it all made sense to me, just as the beautiful balance of fall and spring, winter and summer are a balance in nature that God gives us.

The "Dream Team" is assembled and they are truly a dream come true. Please help me continue to pray for the Pilgrims who are coming, the Conference Room and Support Teams. My husband, Walt, a Lay Director on CAEW #86, has been my immeasurable helper and encourager. John Duncan, Lay Director of 113, has told me that 114 will be the greatest walk ever. We are counting on it.

May God bless you one and all. Thank you for your support and prayers and your love for God and others. May the pilgrims and the team be blessed.

In His Love and mine,

His Servant, Veda Johnson

"Did not our hearts, burn within us on the road, while he opened to us the scriptures?" Luke 24:32

A MESSAGE FROM WALK #114 SPIRITUAL DIRECTOR

It was one of those times in my life when life had become a struggle. I was on my way back home from a hospital visit. As I drove, I became aware of storm clouds in the distance. Realizing that the storm and I were on a collision course, it became a visual of the storm that was raging in my heart and soul. When suddenly I became aware of a rainbow over to my right and to my amazement I could see the end of the rainbow.

There was a bank of trees ahead of me and the rainbow was casting the full spectrum of colors across the trees. A prayer welled up in my mind as I asked God if there would be a rainbow in my life after my internal storm. At that very moment the end of that rainbow began to move across the trees heading toward the road. I watched with amazement as the end of that rainbow left the trees, came across the ditch up on the road and settled on the hood of my car. I knew this was God's answer to my prayer. I knew God was with me and that God's grace covered me even when the storms in my life were raging.

We know from Ps. 139 that God formed us, knew us even before the beginning of this world, and will be with us forever. In my life this scripture offers such comfort and assurance of the love and grace of God. Many of our pilgrims of CAEW # 114 are looking for the assurance of God's love and grace in their lives. I pray that they will feel their hearts burn within them when Jesus walks with them on this "THEIR" Emmaus Walk.

Fourth Day / Serving in the Conference Room

Welcome from the outgoing chair of the Team Selection Committee

I would like to share a few insights on the Team Selection process for all who are new to the Emmaus community, and a reminder for all of us who have been serving. The question comes up all the time, how do I get asked to be in the conference room? There are a few basic rules, and I will share those in a minute. All you have to do is come to camp and serve. Bring your Christian heart, your Agape smile, your spirit of cooperation and charity, and trust me, the upcoming lay directors will notice and they will want you to be on the team that God has given them.

But there are a few minimum requirements to be eligible to serve. First, you are not eligible until a year has passed since your original walk. This gives you time to reflect on your walk, and gives you plenty of time to serve in the background at Emmaus. You must have served at least 4 times in the background, and chair at least one work area. One of the most important jobs of the chair is to make sure that all who help receive credit for serving. Please remember to turn in your service sheets, making sure that the names can be read, and that the walk numbers of each worker is listed. It is the only way that the chair of the team selection committee can determine for sure who served. There are many of you with the same name, so help yourself and the team selection chair to give you credit. Just a reminder, there is a difference in chairing and co-chairing. The purpose of co-chairing is a learning position, where you expect to chair the work area in the near future, and co-chairing does not count as chairing a work area. One more thing, once you have qualified and have served on a team, you are still expected and required to work in the background. You must serve at least once every three years. So if you wonder why you haven't been called, reflect on your service.

I want to thank each and every one of you as I reflect back on my two years as chair of the team selection committee. You have served our Lord with grace and compassion, and the Lord has blessed each and every walk as the "Best-one-Ever".

In His Grips,

Steve Kopp, CAEW #56, Table of Luke.
