

Indianapolis **SPEEDROME**

2023 Car Number Info

GENERAL INFO

Car numbers must be substantial in size, appearing on both sides of the car and if it is a class with a roof, on there as well. Divisions with a front windshield shall have a 6" white car number in top corner of the passenger side for race lineup purposes.

The car number must contrast from its background color (light vs dark) and be clearly visible from the other side of the track. It must be in a font EASILY READABLE . It is IMPORTANT that FANS (in person and on PPV) AND STAFF can clearly read and clearly distinguish your car number from others.

2023 REGISTRATION & RENEWALS

- ✓ 2023 car number registration is MANDATORY for ALL cars in our 8 regular season divisions BEFORE going on track. This includes cars joining us from out of town to race in these divisions. Registration forms are available online to print and fill out or at the track.
- ✓ A 2023 driver W-9 is required to be filled out for divisions that receive prize money. A driver's money will NOT be paid out until this is fully completed.
- ✓ Number renewals are available. Prior to March 11th, car numbers can be renewed by drivers who competed at 50% or more of their division's events in 2022. March 11th will start the open registration process.

ELIGIBLE CAR NUMBER GUIDELINES

- Street Stocks – Available numbers are 0 thru 99. No duplicates numbers (even with a backup car). No letters can be added. NOTE: A few duplicate and higher car numbers have been grandfathered in after the Stock/Roadrunner merger. These will go away with limited use.
- Factory FWD – Available numbers are 0 thru 199. No duplicates numbers (even with a backup car). No letters can be added.
- Junior Faskarts – Available numbers are 0 thru 99. No duplicates numbers (even with a backup car). No letters can be added.
- Adult Faskarts – Available numbers are 0 thru 99. No duplicates numbers (even with a backup car). No letters can be added.
- Fords – Available numbers are 0 thru 99. No duplicates numbers (even with a backup car). No letters can be added. NOTE: Out of town drivers will use their home track numbers. We can add a letter on the transponder system for scoring.
- Mini Late Model – Available numbers are 0 thru 99. No duplicates numbers (even with a backup car). No letters can be added.
